In awarding scholarships, the SGS attempts to identify those students that have scholastic achievement and financial need. In addition, The SGS seeks to award scholarships to those who have demonstrated exceptional interest and ability in the field of geology and who will continue to make positive contributions to geosciences throughout their career.

In order to help us in this selection, please attach a typed summary of your background, interests, and goals in the field of geology. Please be specific and include any pertinent employment, research, or special projects in which you have been involved.

Have you:

- _____ Completed application page
- _____ Submitted transcript
- _____ Written Financial Need Statement
