1. Has a completed application been submitted by the deadline?

Applications (available on the Christ Church Anglican website ccsav.org) must be received by 5:00 pm on the date of the deadline. Please submit by mail or hand deliver. It is the applicant's responsibility to be certain the application was received by mail.

2. Does the Applicant provide Christian ministry in both Word and deed?

Applicants must be able to answer the following questions affirmatively:

- Does the mission, organization or agency clearly give witness to God as Father, Son and Holy Spirit?
- Does the mission, organization or agency clearly give witness to the uniqueness of our Savior, Jesus Christ, as "the way and the truth and the life"?
- Does the mission or organization clearly understand itself/themselves as having been called by God into God's work in the world?
- Is the mission, organization or agency involved in evangelism and discipleship?

3. Who from Christ Church Anglican will be involved in the project to be completed with the requested funds?

4. Has applicant received any funds from other entities (federal, state, city, United Way)?

- Applicants must disclose funds received by the United Way or any public sources (state, city, federal). (Question 9 on the application.)
- Applicants seeking start-up funds for a new program are reminded that such grants are intended to assist programs that will be self-supporting.

5. Applicants must submit a complete financial report (Profit & Loss, Balance Sheet) for the organization's most recently completed fiscal year, plus an annual operating budget. Form 990s are preferred, in addition to an operating budget. Reports covering less than a full fiscal year cannot be considered. (Item 11 on the application.)
