OUR DAILY BREAD

The SW 2018 Team made lunches for the homeless shelter, Our Daily Bread. Our Daily Bread is Maryland's hot meal program, serving more than a quarter million meals to the hungry of Baltimore City each year. They serve nutritious lunches every day of the year and breakfast to seniors and individuals with disabilities each weekday. They also serve bagged lunches, like the ones we will be providing, to homeless people all over the city.

The Team worked together to complete the task and demonstrated compassion for those less fortunate.
