

PRAY

for the

SUMMER

Here are some prompts to guide you as you pray
for your church's camping ministry,
Somerset Beach Campground.

PRAISE

- ... for the people already booked/registered for summer.
- ... for a beautiful property which allows all who come here to experience the wonder and awe inspired by God's creation.
- ... for the commitment of many college students, retirees and staff members each year who give generously of their time and effort to make this ministry possible.
- ... for God's faithfulness in blessing this work in years gone by.

EVANGELISM

- ... for the opportunity to minister to as many campers as we possibly can this summer.
- ... for counselors & staff to know a new excitement about the gospel themselves.
- ... for a clear, faithful explanation of the gospel from staff.
- ... for campers to respond to seeing how much their counselors need Jesus in their everyday living.
- ... for open minds to hear the truth clearly.
- ... for a right atmosphere for people to respond – opportunity in a safe environment, without emotional pressure.
- ... for lasting responses where young people's lives are radically changed, not just a shallow outward response.

STAFF GROWTH . . .

- . . . in commitment to Christ.
- . . . through grappling with doubts and new challenges.
- . . . in becoming the kind of people who see where God is working and direct kids toward Him.

SAFETY

- . . . in travel to and from SBC.
- . . . in activities, especially on the waterfront.
- . . . for staff in charge of safety -especially lifeguards.
- . . . for staff at Cedar Ranch.
- . . . on the zip line.
- . . . for spiritual safety – protection against enemy attack
- . . . for good health and protection from illness.
- . . . for good sleep – to avoid overtiredness and vulnerability, and to stay healthy.

COMMUNITY

- . . . that true, honest relationships will be built during the summer.
- . . . for love to be evident between young people and leaders alike.
- . . . for good modelling of Christian unity by leaders.
- . . . that staff will model what it means to live a Christian life for all guests.
- . . . to have grace with each other.

HEADING HOME

- . . . for wisdom as campers discuss the issues likely to face them as they return to home, school or college
- . . . for enthusiasm and energy to return to home churches ready to make a difference and eager to continue fellowship and support with other Christians.
