

### Pastor Mark Thomas – Bio Continued:

I am a former elementary physical education teacher and personal trainer. Though I loved teaching and training, the Lord led me to ministry in 2011. I was a senior pastor since 2012 at another church in Princess Anne, before coming to SonRise Church. My heart and passion to reach the lost and the un-churched was a big reason why I came to this church. Also, I wanted to become a part of a new SonRise multi-site campus and I am committed to our strategy of “more of us, in more places, reaching more people”. I will be campus pastor of our third SonRise campus in Princess Anne. I look forward with great excitement for what God has in store for Princess Anne and I am passionate and committed, by God’s grace, to have a lasting impact in that community for the glory and honor of the Lord!

I enjoy spending time with my family, keeping up with my teams, the Colts, Capitals, and Orioles, as well as, reading and going to the movies. I love Jesus and I love this church! May all of us “live our lives so others meet Jesus”!
