

## Registration Information 2018-2019 School Year

Thank you for your interest in Sonrise Christian Preschool! We hope to serve your family and provide an atmosphere of care, development, growth, and learning for your child.

### Community Registration is Saturday, February 3, 2018, from 9 – 10 a.m.

Enter Sonrise through Door #8; Registration is the first door on the right.

You may pick up a registration packet in the Sonrise Church Office between 8 – 5 Monday through Friday or you can contact Kristy with specific questions or for a tour and information about the preschool. Registration forms are available online at [sonrisechurch.info](http://sonrisechurch.info), under the “Ministries” tab, then select “Preschool.”

We recommend that you schedule a tour. This will help to answer your questions and concerns, to view our rooms and environment, to observe the manner in which the teachers interact with and stimulate the children. Many times, a tour helps parents determine if Sonrise Christian Preschool fits the needs of each child and family.

Students who are currently-enrolled and the families that attend Sonrise Church are the first to register for the next school year, so many classes are filled prior to Community Registration. If you do not receive a confirmed spot in the class of your choice, you have two options. One, you can be placed in another open class, but have your child’s name on a waiting list in case the class of your choice does become available. Your second choice is to go on a waiting list only, with no guaranteed placement. If you choose this option, you do not need to pay a registration fee. If you are on a waiting list, we typically experience a great deal of change between registration in the winter and the start of school in the fall.

Even if all of the children that are currently enrolled in the Preschool register again for next year, we have more spots available than children to place in that age group. For example, we have 30 Two-Year-Old students that are currently enrolled and 56 spots in the Three-Year-Old classes. Likewise, we have 56 Three-Year-Olds that are currently enrolled, and we have room for 88 students in the Pre-K classes.

***You may want to consider the option of afternoon preschool; these classes offer great flexibility and tend to be very peaceful and relaxed.*** Children are loved all morning at home, then often come to school ready to enjoy friends and work on school tasks. Contact Kristy to arrange a tour to observe firsthand the benefits of an afternoon schedule.

If you have had children at Sonrise in previous years, but have a gap in years before the enrollment of your younger child, contact Kristy.

Each child that you register needs to have a completed packet of information, which includes:

1. An Application and signed Emergency form, Notice to Parents form, and Financial Agreement form for each child.
2. Registration fees for each child
  - Fees are: \$45 for the first child
  - \$30 for the second child
  - \$20 for the third child
3. A copy of your child’s immunization record

Tuition payments begin August 1 and are due the first of each month August – April. You will not have a payment in May. If you enroll after school begins, you will owe two tuition payments. In July, you will receive a class confirmation packet containing information about your child’s class schedule, the school calendar, preschool policies, and a supply list for your child’s class.

We look forward to growing with you and your family!
