This December we hope to:

- Ignite conversations in our community that point people to God.
- Encourage individuals in our community during what can be a season of stress and greed.
- Familiarize local residents with Southfield.
- Help Southfielders focus on and model giving rather than receiving.

Our approach will have three components:

1. Sundays and Wednesdays all Southfielders will be encouraged to give specific gifts:
   - Sundays – Specific gifts will be available after services for distribution on Sunday or Monday.
   - Wednesdays – Random gifts will be given to random individuals. For example, pay for the person in line behind you at the drive through or return a shopping cart for someone at the grocery store.

2. The remaining days of the week teams of Southfielders will deliver specific gifts to targeted groups.

3. Everyday volunteers will give a specific gift once a day for 25 days.
