

So Love Could Win

Presented by the South Hills Church of the Nazarene

April 23, 2017

Today, we celebrate the Savior who “went the distance so Love could win.” We hope that everyone will leave this service, knowing Christ in a deeper measure and “go the distance” for others to know Him as their Lord, too. Heartfelt thanks go to all who shared their faith in Christ by being part of this proclamation that Jesus set aside His glory to enter our world as a human and live in our shoes, facing and overcoming every temptation that we would ever encounter. Through His victory over sin and death, we share in His Resurrection power, privileged to have our hearts rest in Him, the true Homeland of Our Souls; we watch and wait in anticipation for that Great Day when He will return to take us to the place prepared for us in Heaven. Thank you for coming today; our prayers go with you, and we look forward to seeing you next week as we worship together and continue the praise for our Risen Savior.

To all who gave their time and talents to honor the Name of Jesus, thank you:
