Dear Labourers,

On the 24th of April, the AOM ministry held an Easter outreach meeting in the town of Eidsvold. With many of the townspeople away for the holidays and many others attending a nearby town show, we were not for sure how many would turn up for our Easter celebration. We give all the praise and glory to our Savior in rejoicing over the 31 town folk we had in attendance! The tribal elder of the local Aboriginal community even made her presence along with 8-10 of her family members! I must say I became an instant fan of hers when she came to me after the service and told me she enjoyed my Yankee accent! You don’t get too much of that working in the country areas!

It was also made known to me that we had the town drunk visit with us that morning. He got a good dose of the Gospel message from the sermon and also from one of our Lighthouse team members who personally witnessed to him.

I am so thankful for the words of Jesus in Matt. 16:18, “And I say also unto thee, That thou art Peter, and upon this rock, I will build my church;....” If the building of the church were left up to mankind, we would surely make a mess of it! I find that I am in need of constantly reminding myself of this simple, yet often overlooked promise. When the times do come, that it seems like all of our work and labour is in vain, and there seems to be no fruit or progress, passages like I Cor. 3:6 ring out in my ears...”but God gave the increase.” It’s all about Him! It’s all about glorifying His name!

Thought I would include a copy of the invitational flyer that we distributed.

Thank you again for your prayers and support of this mission!
