

On the fourth Sunday of each month, we collect a special offering that goes to the Men's Shelter of Charlotte to provide hunger relief.

Each \$500 we raise with The Spoon It Up offering provides a meal, and frees up funds that can help local men find jobs and permanent housing. On average, The Men's Shelter of Charlotte helps 500 men find permanent work and housing each year.

As we collect the offering on the fourth Sunday of every month, we are asking for six youth volunteers to walk with the Ushers and help with the collection.
