Easter Sunday Schedule

30 Pieces Of Silver Easter Offering

This year our 30 Pieces of Silver Offering will be designated to our Vehicle Fund. We would like to replace our oldest van with a new 15 passenger vehicle like a Ford Transit with a high roof. This type of vehicle is easier to get in and out of and does not require a driver with a CDL.

PHASE ONE

Phase 1 of our building project will be wrapping up soon. This past week we were able to button a lot of loose ends. If all goes well this week, we will celebrate a risen Savior on Easter in our newly remodeled sanctuary. The new office complex and SS Classes should be finished the following week. We're working on or have finished the following this past week:

- Finished painting and trimming out the Drive-thru drop-off
- Running new hot water lines for the tankless hot water heater
- Floor leveling and carpet installation
- Tile work in the foyer and new Connection Center
- Final installation of granite in the Connection Center

This next week we will need a major clean up as we prepare for Easter. We will aim for Thursday or Friday. Once we know, we will shoot a notification via the app and Facebook. Teamwork is making this dream work.

Thank you for all your hard work, patience, and kindness.

Bro. Chad
