## Happy New Year!

*Maria Goldman, Little Light Preschool Director*

Happy New Year everyone! It's great to see everyone back and with smiles on their faces. I hope everyone had a wonderful Christmas and a refreshing break. The staff and I are glad to be back and ready to see what God has planned for the New Year.

I would like to thank the parents that participated in the See's Candies Fundraiser. We will be using the \$500 we raised to purchase outdoor equipment as well as other items needed by the teachers in their classroom.

February brings re-enrollment time at LLP. We will begin distributing re-enrollment packages to all current students on February 2nd. Sibling registration packages can be picked-up in the school office anytime after this date. Please read the information contained in the registration package carefully. We want to

make sure each family has the opportunity to re-register or register a sibling before we open up any roster spots to the community during our Open House on March 5th. If you have any questions regarding enrollment for the 2015-2016 school year, please don't hesitate to stop by the office.

In His Service and Yours,

**Maria Goldman**

### Health Alert

As many of you might have noticed within the community or even experienced within your own families, it is cold and flu season. Little Light Preschool has experienced an increase in student cases prior to the Christmas break. It is very important to the overall health of Little Light that sick students not be brought to

school. Please review our "Health Policy" on page 21 and 22 of the Parent Handbook, as well as, our daily "Health Check" policy on page 27.

Please understand that these policies are not in place to be invasive or to be an inconvenience to you in any way, but they are in place to ensure the health of all the students and staff at Little Light.
