Together we can encourage the
'Little Light' of your life to shine

Purpose Statement

Little Light Preschool is a ministry of South Valley Church. It was established as a service and ministry to the families and children in the Santa Clarita Valley.

The aim of Little Light Preschool is to provide a loving and nurturing Christian perspective that will foster positive self-esteem and a child's acceptance of his or her role in life at home, at school, at play, and at church.

Train up a child in the way he should go, and when he is old he will not turn from it.

Proverbs 22:6

Program Descriptions

Beginner

(For children who will turn 3 AFTER September 1st)

Our beginner program is designed to maximize each child's individual growth by introducing a developmentally appropriate balance of spiritual, intellectual, social, emotional, and physical activities. An emphasis is placed on exploring and playing together as our 2's start their understanding of socially appropriate behavior. This year is an important time for children to grow in their independence. When your child is ready, his/her teacher will work with you to successfully help in the potty training process. Our 2's are also introduced to a weekly Bible Story.

Intermediate

(Children must be 3 BEFORE September 1st)

Our intermediate classes use developmentally appropriate activities in our "center" based curriculum. The explorations of early learning skills include the areas of dramatic play, language, math, science, and art. An emphasis is placed on cooperative play as children practice appropriate social behaviors. This is an important time to foster a love of learning, using a variety of hands on manipulatives, the children gain confidence and many problem solving skills. Our 3 year olds take a fun look at a Bible story that they read through every week.

Pre-Kindergarten

(Children must be 4 BEFORE September 1st)

Our Pre-K program provides a wide variety of planned activities centered on preparing 4 year olds to excel in Kindergarten. Using the Handwriting Without Tears program, along with many other skill building manipulatives, children have the opportunity to develop at their own pace and have fun learning many new academic skills. Additional activities include, art, science, math, language/phonetic skills, gross and fine motor skill that encourage children to stay on task leading them toward independence. Our Pre-K students also devote a portion of their day in Bible Time, where they "read" from their own Bible.

Schedule a Tour

Please call our office at 661.259.1515 to schedule a tour of our campus. We'd love to get to meet you and to show you how special our school truly is.
