

Riverside Christian Center Presents

March 23 - 25, 2012

Open Heaven Conference

The Open Heaven Conference at Riverside Christian Center is committed to seeing revival released through the Kingdom coming on Earth as in Heaven. This conference is designed to equip & enable you to encounter more of God and the Call & Purpose that He has for your life!

The Supernatural isn't designed to be a "part" of Christianity but rather is the "essence" of Christianity. Open Heaven Conference is for those who are hungry to live their Christianity in a powerful and real way. This conference will train, equip and inspire you to move in the gifts of the Holy Spirit, especially in the areas of ministry and evangelism, but also in your personal walk. This conference will inspire you to live a life of holiness and passion for Jesus Christ and impact your generation. Come join the young and old from all around Western Montana who are desperate to see the supernatural hand of God working powerfully in their world.

With cutting edge speakers and awesome ministry times, this will surely be a conference that will change your life!

Shara, Brian and the Bethel team from Redding, CA are excited about what God is doing through the ministry of Riverside and are fired up about this upcoming Open Heaven Conference!

Shara Pradhan

Shara recently spent five years ministering around the world with Heidi Baker as her personal assistant. During this time, Shara was featured on the film, "Finger of God." More recently Shara co-authored a book with Heidi Baker entitled "Compelled by Love," "God Knew I Could"—an autobiography book by Heidi's spiritual mother, wrote for Jesus Culture, and is currently working on a book by Bethel's Love After Marriage leaders The Byrnes.

Shara is currently on staff at Bill Johnson's church (Bethel) in Redding, CA.

Brian Guerin

Brian Guerin, Founding Director of Bridal Glory International, is a friend of God. As a prophetic mouthpiece and itinerate speaker, he is sent out all over the world to ignite lovesick passion and abandonment for Him alone. He carries the kingdom of heaven, as his ministry is marked by unusual signs and wonders, powerful miracles and healing, and the very fingerprints of God.
