

Freedom Ministries

Thursdays 7-9 pm West Wing

Rev. Teresa Rodriguez, Director

Freedom Ministry is a kingdom –focused ministry about becoming who we are created and redeemed to be. When the primary focus is on resolving our problems, then our problems organize our lives. However, whenever we seek first the kingdom of God, then everything in our lives is organized by it and our problems are removed.

The small group discipleship is designed to help people recognize our identity in Christ and learn how to remove obstacles that hinder us from experiencing Truth. Freedom Ministry discipleship is a process that yields disciples not dependents. Free people free people!
