Recruiting Small Group Leaders – AKA- *Discipleship Maker*

Have you ever thought about leading a Connect Group for single parents? How about a group of young adults or young families to discuss real life issues that you, yourself, would have found helpful when you were in that stage of life? No matter what stage of life in which you find yourself, leaders are needed to help Christians grow in faith and in the knowledge of God.

You choose the type of group you want to lead. You choose the weekly time and day. You choose the meeting place.
