As parents drop their kids off, hand them a Parent Cue card, or you could choose to email it to them either monthly or weekly.

These cards communicate four things to parents:

1. the month’s life app
2. the month’s memory verse
3. the week’s Bible story
4. a cue to prompt parents to connect with their kids each week

A “primer” for parents is available on the following page. You may want to provide a copy for each family.

Parent Cues are available in a monthly format or weekly, and how you use them is solely a matter of preference and what works best in your environment.

FORMAT
Parent Cue is available in color and B/W, and the PDF files are also easily emailable as an attachment.

TIME CUE
The Parent Cue is a Morning Time, Meal Time, Drive Time and Bed Time cue for each month. By following these simple Cues based on Deuteronomy 6:7—“Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up”—a parent can make the most of everyday moments to instill faith and character in the heart of his or her child.

With the anticipated start of school comes the ritual of school supply shopping. We diligently check every item off the supply list to make sure our kids are fully equipped for the year ahead.

But many of the things they’ll need at school aren’t on the shopping list. For example, things like decision-making skills, discernment, and perspective. Our kids need to know the difference between right and wrong and have the courage to do what they know they should. And to be equipped for whatever they may face this year. That’s why giving them a strong foundation in WISDOM is so important.

Write a note to your kid telling them about a time when you noticed they made a wise choice. Encourage them to ask for wisdom when they aren’t sure what to do. Leave the note somewhere you know they’ll find it.

Watch this month’s music video on the Parent CUE app or on Studio252.tv. Can you memorize the words to the chorus?

Ask a kid: Who can you go to for wise advice about life?

Ask a parent: Share an age-appropriate story about a time when you were influenced by either wise or unwise friends.

Read 1 Kings 3:4-15. Share with each other an area in your life where you need wisdom right now. Then pray together and ask God for wisdom to make the right choice.
