

# Confirmation Retreat

The Confirmation Retreat is the finale to our experience. We will join 500 other youth from the South Georgia Conference for a weekend of worship, games, fellowship and so much more. We encourage all of you to attend. The church will cover the expense of the retreat. Check out the attached flyer and registration for more details. Please try and have both registrations to Jake ASAP.

Following the retreat, each confirmand will sit through an interview with Brother Randy and Jake along with their parents. This will be the final step before Confirmation that will take place on Sunday, March 11th & 18th, 2017.

## What's This About?

What does it mean to go through confirmation and be confirmed? It's amazing how confirmation can impact each student in such powerful and yet different ways. For many, this becomes the point that they own their faith. They no longer go to church because mom and dad are making them, but it becomes their choice and desire to be there. For others, this is when they feel they are truly a part of the church. They can say with ownership that Springfield United Methodist Church is their church. Still others find this to be a time to deepen their understanding of Christ and His church and make a renewed commitment to His work. Whatever you experience over these six weeks, you will be blessed. You'll experience the love of Christ in new ways as you dig deeper into His Word.

Will you join us? Will you be forever changed because you committed six weeks to Christ? Come on, Join the Journey!

## What to Bring...

That's right! Bring your Bible. We'll dig deep into God's Word and learn about our Christian Heritage as God's Children and as Methodists.

We'll provide snacks for each session and also the necessary workbook to follow along with. It will be a great time of discovery.

Join us on this Journey!

## Who Should Participate?

This is for all rising 6th graders and current 6th graders who have not had a chance to go through confirmation. We will also open the invitation to any older youth that perhaps didn't have an opportunity to go through the classes for whatever reason but would like to.
