Church Pulse Survey

<https://statecolle gecma.ccbchurch.com/goto/forms/205/responses/new>

In an effort to assess the pulse of the church, the elders would like every adult who considers the State College Alliance Church to be their church home to complete this simple survey. It should only take 6-12 minutes to complete. You can access the survey online at the link listed above (Internet Explorer excluded). Paper copies are available at the Info Center for those who prefer that option or only have Internet Explorer. The survey will close on February 12, so feel free to take it as soon as possible. Questions? Contact Pastor Chad.
