

MORNING PRAYER

Every Friday, June 9 - September 15

7 AM at the outdoor worship area

The Daily Office is an ancient practice that uses daily prayers to mark the times of the day. For Anglican, this generally comes in the form of the two main offices of Daily Morning Prayer and Daily Evening Prayer.

Morning Prayer begins with a sentence from scripture, continues with the invocation, Psalms of the day, Bible readings, Apostolic Creed, Lord's Prayer, collects/prayers, and a final blessing.

This simple prayer service takes about 15-20 minutes and is a great way to start your day.
