

- I realize by enrolling my child/ren in this formal catechetical process that it is my responsibility to work with the catechists/leaders to witness my Catholic faith and to reinforce the teaching of the Church in our home. Then, together, we can become a believing and evangelizing community of faith.
- I understand that by providing my text phone number, my number will be added to the Text Remind Service, which allows Maureen to send information on faith formation much faster. Your number will not be visible to any other person in the group and you will only get text messages sent from Maureen and not from other group members.
- If you are in need of financial aid, please let Maureen know. Payment plans and reduced payments can be arranged if needed.
- By signing this registration form I authorize my child's photo to be taken and used for a photo ID, in the bulletin, on the church website and on the parish and faith formation's Facebook pages.
