NEWSLETTER— JANUARY 2018

“Magi” by Della Conroy

My dear friends,

As I write this letter, I’m looking out of my office windows at a winter...um...”wonderland”...and wondering what the drive home will be like! The snow and cold temperatures can certainly make us want to hibernate away until spring. Thank goodness for the spirit of energy and love that abounds at St. James! I’m given energy by all of the wonderful people who are dedicated to making our life together warm, loving and filled with movement.

**Our Annual Meeting is Sunday, January 21<sup>st</sup>.** We will elect our new vestry members and senior warden— important parts of our life together as a church community. I’m also looking forward to the opportunity to look back at 2017, celebrate accomplishments with gratitude and thanks to God and look forward to all of the opportunities, challenges and joy that 2018 will bring. Please put our Annual Meeting on your calendar and plan to join us. It is but once a year that we gather for this purpose. Our vestry will be providing a brunch/coffee hour, and if past years are any indication, it will be delicious and delightful. I look forward to this time to gather together, enjoy your fellowship and move into a new year of exciting opportunity.

Your sister in Christ,  
Mother Bonnie+

*Blessed God, you call forth light from darkness:  
Send the power of your Spirit upon your servants,  
the people of St. James Church, as they carry your Gospel to the world.  
May your light so fill them that they may shine with your radiance,  
drawing all of the brightness of your love and mercy;  
through Jesus, our Savior and true Light. Amen.*

### **Today – Soup Sunday**

Be sure to stay for the coffee hour after service today. There will be soups, rolls, desserts, and good friends for your pleasure. Take time to enjoy your Saint James' Community as we start off this season of Epiphany.

### **Happy Birthday to Our January Birthdays!**

We pray God's blessing be with you on your special day and every day.

### **Diakonia Musings**

#### **Deacon Diana's Message**

The Advent/Christmas season is winding down and is a wonderful memory at St. James now. People shared time and talent with each other in the forms of liturgy and ministries. There were beautifully written prayers that drew us inward as a community and gave us a sense of continuity and security through the Christian traditions that have been passed down for centuries. There were colors that stimulated our eyes and music that feed our souls. The smell of cookies baking in the kitchen and candles burning on the wreath wafted through the air. We exchanged peace with those known to us and those we just met, and we tasted the heaven Jesus talked about. Our holiday season was about emulating the love of God by injecting it into our lives and everything we did for a season. We were reminded of the healing and reconciling power of love when it was the focus of who we are as people of God. When we are in relationship with God and each other as God intended, Christ is there as Love.

As we move into the season of Epiphany, the manifestation of Jesus as human, let us continue to share love with all creation as we increase God's kingdom right here, right now.

There are a few opportunities coming soon, in which I invite you to participate.

On January 20, I will be supervising another "Welcome Table" opportunity at Lafayette High School. Students from around Western New York have been invited to join in activities with the international students at Lafayette on a Saturday morning to earn community service credits. After creating art, making music, cooking ethnic food, playing sports, sewing or dancing, all the students enjoy a lunch of pizza and dessert together. The food is provided through donations and served by volunteers from around the diocese. I need at least 12 to serve 150+ kids in a timely fashion. Volunteers would need to be at the school from 10:00am-12:15 to set up, serve, and clean up. If you have junior or senior high children that would like to participate, they would need to be at the school by 9:15 to register for a class. (JoAnn Bestine has volunteered before and would be glad to share her experience with you.)

The month of January is designated for a deanery-wide collection of gently used or new linens, specifically sheets and towels. They will be sent to the Linen Pantry at St. Peter's, Eggertsville, where they will be distributed throughout the diocese, assisting families who have lost their homes through fire, domestic violence, economic and health issues, etc. Donating to the Linen Pantry will help with the assistance St. James offers to single parents through the Rupprecht Fund. Please consider cleaning out your closets and donating the items you no longer need or use. Leave them in the laundry basket in the back of the church during the month of January.

During the first three Mondays in November, six people from St. James, along with others from the deanery, attended a training called "gifts discernment", taught by Deacons Jerry Hilfiker and Tom Tripp. They explored the different influences in their lives and how they shaped character. An assessment about spiritual gifts enlightened them to the gifts God gave each one, and how they can be used to glorify God and to grow

his kingdom. Successful ministries within the church always begin with people identifying their gifts and strengths and then bringing the needs of the community to the attention of the church. These six people, now turn key trainers, will be offering St. James congregants a chance to explore the same eye opening experience they had. More to come about this exciting opportunity!

May the gift of love overflow within you.  
Deacon Diana

### **Senior Warden's Report**

An old year ends and a new one begins. At the December Vestry Meeting the 2018 budget was passed. We will all have to work extra hard to make this one work. We are looking at an unusually large withdrawal from our investment funds to balance this budget. This will be primarily because of the first year of operation of the 12 year capital project that was developed by the Property Committee in 2017. This first year will be the most costly, generally decreasing as time goes on. Also, we fell a bit short on our 2018 Stewardship Campaign.

What this means is we are all going to have to sharpen our pencils and wisely spend what we have and increase income where we can. The Finance Committee is already looking at possible fund raisers for this year. We are always open to new ideas. The Committee has already saved a considerable amount especially in the area of maintenance and we hope to improve even more. All of this information will be gone over at our Annual Meeting, January 21<sup>st</sup> after Sunday service.

Speaking of the Annual Meeting, please plan to attend. This is the one time of the year when every member of the congregation has a voice. Also, a great deal of information will be presented as to where we have been and where we are going. You will also have the opportunity to elect three Vestry members and the Senior Warden. This is probably the most important day in the life of St. James.

Jim Neider, Senior Warden

### **Adopt-a-Project** **1-4-18 for 2017**

These are several projects that are up for adoption:

1. Painting, cover pipes, etc. in basement old robe room. Cost \$185.00.
2. Painting of three doors in the parish hall in and out plus the inside trim, two in parish hall, and the exterior kitchen door. Cost \$250.00.
3. We have projects for remodeling the basement bathrooms, and the interior of the S.E. entrance. Currently both are in the design and pricing out stage. Both will be listed in the future.

Adopt-a-projects financed or completed since the last report are:

Three new replacement windows for the choir room. Cost \$1,365.00. This project has been funded, windows will be ordered.

The electric chair lift for the stair section into the parish hall, cost \$3,600.00 has been funded entirely. Also along with this is the tear out of the hall from approximately the choir room to the landing area of the N.W. entrance, and tear out and removal of steps. This project covers changing this area to a handicap approved ramp floor, railings, carpet cover, etc. (all this is needed to pass city requirements.) Total cost is yet to be determined, but enough funds have been committed by our generous ECW to cover this work.

Special Note: It was required by the City of Batavia that we obtain architectural drawings for the lift and ramp, this has been done and we are awaiting the drawings to start these projects.

We have received a donation to cover the sandblasting painting, etc. before the steps and landing outside the kitchen door. This will be done when weather permits. Cost \$1,000. The cost is covered by a St. James parishioner.

We are currently in need of suggested projects. If you have an idea for a project, or would like to make a donation, please contact anyone on the adopt-a-project committee. They are: Mother Bonnie, Jim Neider, Keith Price, Peter Mark or Barb King.

As before, any donation to the adopt-a-project can be used for a tax deduction, but is not to be used in lieu of any pledge you have made. You can give a partial pledge towards a project. The donor also has the option to designate to which project their donation goes to, or choose to let it cover any project. Also donors can receive recognition or remain anonymous for their donation—the choice is yours, just let us know when you make the donation.

Thousands of dollars of work, repairs, improvements, etc. have been completed in the past few years—at no cost to St. James!! Thank you to all who have donated money, labor or materials to these projects.

A short note here to thank all who throw a few bucks in the paint can fund buckets –that money has repaired numerous small repair areas, bought buckets and shovels for the ice melt, and shoveling at the many entrances we have. Thanks, keep it up, it saves budget money. P.S. Thanks to the red bag sale idea boosted our funds!

Last, but not least – a special thanks to Gary Hammond for all the time, material, painting, etc. that he put into the complete cleanup, shelving, and make-over of the formerly hurricane destroyed sexton's room. Stop in for a look! I would also like to thank Ron Fancher and Harold Odell for all their time and effort, to clean out, straighten, organize the storage (it was a mess) barn. Their hard work freed me up to do service work on the tractor, snow blower, etc. Thanks again guys!  
Thanks, Russ Dvoroznak

### **December 2017 Vestry Highlights:**

There will be some need to know information sessions in January and February concerning the proposed linkage of the Diocese of Western New York and the Diocese of Erie Pennsylvania. Mother Bonnie has been appointed to the Diocesan Council.

**The Property Committee and the Maintenance Team** are working to make the church more handicapped accessible. A chair lift system into the Parish Hall has been fully funded and a ramp between the Sanctuary and the hall has been funded by ECW up to \$6000. They are waiting on an architect's drawings.

**Vestry Positions:** There are positions open for Vestry for next year. The Senior Warden position is up for election. Jim Neider says he will run again. There are 3 openings on the vestry. 2 members are seeking reelection and there is one open position.

There is also a need for **delegates to Convention**. The elections will take place at the Annual Meeting in January.

**Stewardship Report:** There are currently 56 pledges totaling \$108,414. Seventeen pledging units increased their pledge. There are at least 6 units who contribute but do not pledge, so this contribution is not reflected in the budget.

**Budget 2018:** The final budget for 2018 was presented. Operating expenses are over the operating income. There is a need to raise \$45,000 in fundraising. We need to have a fund raising committee. Increased use of the scrip program could have a large effect on the budget. The Diocesan pledge was raised 18%. Mother Bonnie will write a letter asking them to reduce it. The Vestry voted to approve the budget.

**For the Good of the Order:** \$400 would buy 2 lapel microphones and order a portable system. Diane Cox will check out taping the service to put on Facebook for our Florida residents. We would need parental permission if any children are in the video. The idea of putting the service on the radio was also discussed. WBTA will be contacted. It costs \$45 to go on Main and Center. The clerk of the vestry was asked to send a letter of thanks

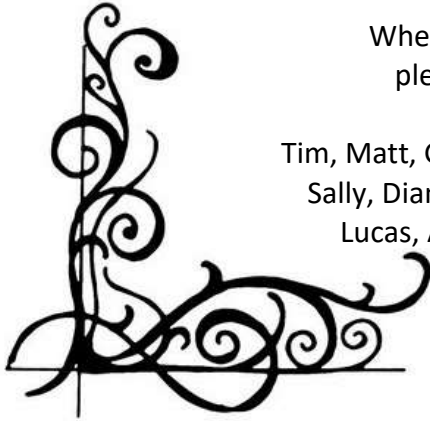

to Dave Lange for the beautiful music he provided during Advent and Christmas, and especially for paying for the solos of Emily Tworek Helenbrook.

Cathy Judkins, clerk

### SCRIP Gift Cards

It is so easy to think, “Oh, Christmas is over, I don’t have to think about Scrip Gift Cards”. Do you still go to the grocery store? To the pharmacy? To Walmart? To Tim Horton’s? I am sure you get the idea. Sunday mornings get the cards for the places you will be shopping during the coming week. It is an easy way of supporting St. James fundraising.

### Mid-Week at St. James.

Come join our service of Holy Eucharist on Wednesdays at 11 a.m. Prayers of healing are always included in this quiet, lovely service. It’s amazing what a half an hour can do for your state of mind! Stay for Bible Study—at noon in the Rector’s Office.

### Recipe Corner

#### **Smoked Salmon Crostini**

These smoked salmon crostini are simple to make, but complex in taste and texture. Quick and impressive appetizer in less than 30 minutes! yield: ABOUT 30 CROSTINI

#### **Ingredients:**

##### **For tomato/red onion relish:**

2 medium tomato, chopped  
½ red onion, finely chopped  
½ teaspoon salt  
½ teaspoon ground black pepper

##### **For cream cheese filling:**

8oz (230gr) cream cheese, softened  
2 tablespoons lemon juice  
1 tablespoon capers, finely minced  
1 teaspoon dill paste (or chopped fresh dill)

##### **For crostini:**

1 white baguette  
Olive oil  
10oz (300gr) cold-smoked salmon, thinly sliced

**Directions:**

- To make tomato relish, in a medium bowl, mix together chopped tomatoes, chopped red onion, salt and pepper. Let stand for at least 15 minutes to marinate.
- To make filling, in a separate bowl, combine cream cheese, lemon juice, capers and dill paste and mix until well combined.
- To prepare the toasts, slice the baguette into thin slices and drizzle with olive oil.
- Warm up a large skillet and toast the bread slices on each side until nice and toasty, about 2 minutes on each side.
- To assemble, spread the cream cheese filling on toasts, and then top with tomato relish and smoked salmon. OR you can serve toasts, tomato relish, cream cheese filling and smoked salmon separately on a platter.
- Make-ahead Tip: You can make toasts, tomato relish and cream cheese filling a day in advance. Store the cream cheese filling and relish in the fridge. Toasted bread will keep well in an air tight container.

**Property Committee Report**

As 2017 drew to a close, the Property Committee completed its first full year of operation and celebrated both the number and significance of capital projects which had been successfully completed on its watch.

The tunnel is long, but the faint light at its end is now a bit brighter! St. James has begun moving toward that glow, making planned progress in its long journey toward a 'State of Good Repair' for our church facilities.

A 12-year Capital Improvement Plan has been developed and approved, and church leadership has committed the necessary financial resources to fund the projects which were prioritized for 2018. Much work remains to be done.

Working together, we can achieve our goal, one project at a time.

Many thanks to everyone for their determination and persistence in this worthy effort.

Dave Lange  
Property Committee Chair

**Outreach**

**"Just Desserts"**  
**"Chocolate for CHERA"**  
**Friday, February 2nd**  
**7:00 PM**

Please plan to join us for an evening of famous St. James desserts! The Outreach Committee is hosting the first "Just Desserts" event: an evening of sweets and treats to raise funds for the on-going CHERA maize-milling project. Along with dessert, the committee is accepting donations towards a "silent auction" that will also benefit this very worthwhile effort. The committee is looking for your support. Here's how you can help:

- Help bake on Tuesdays in January beginning Tuesday, January 9th at 9:00.
- Contribute ingredients such as flour, granulated sugar, confectioner's sugar, etc. See Terry McGuire or Joan Ellison for questions.
- Contribute towards the Silent Auction. Similar to what we've done in the past with our "bag auction", contributions of items and/or services are welcomed. Items can be given to Joan Ellison or left in the church office.
- Mark your calendars and plan to attend the event. Invite a friend or two!

Thank you so much to those who have already contributed to the maize-milling project. The Outreach committee has currently raised \$916.00. Help us reach our \$5,000 goal!

### Fish Fry Time

Fish Fry time is just around the corner and we need to think Desserts. We would appreciate any donations of flour, sugar, cocoa, Jif peanut butter, Peter Pan peanut butter, instant lemon pudding, confectionary sugar, crushed pineapple, baby food jars of carrots, raspberry pie filling and blueberry pie filling. We will keep everyone posted for baking days. Thank you Sue Best and the ECW.

### FROM THE DIOCESE

#### Rust Belt Episcopal

The Diocese of Western New York and the Diocese of Northwestern Pennsylvania have announced a new website and Face Book page.

**[www.rustbeltepiscope.org](http://www.rustbeltepiscope.org)**

**[www.facebook.com/rustbeltepiscope](https://www.facebook.com/rustbeltepiscope)**.

These communications tools, plus an email newsletter that will begin in early 2018, will help ensure that the people of both of our dioceses are kept informed about our partnership conversations and opportunities--like our upcoming listening sessions--to learn more and share ideas and concerns. Questions? Please email [rustbeltepiscope@gmail.com](mailto:rustbeltepiscope@gmail.com), a new email address that will allow us to receive questions, comments and concerns from people in both dioceses and be sure that they are answered by the appropriate leaders. If you have specific questions about our communications plans, you are welcome to be in touch with Canticule Communications, which is working on this project for us. You can reach Jim Naughton at [jim@canticulecommunications.com](mailto:jim@canticulecommunications.com) or Rebecca Wilson at [rebecca@canticulecommunications.com](mailto:rebecca@canticulecommunications.com).

#### Feast of Lights

The Feast of Lights tells the story of the spread of the Light of Christ through readings, music and the lighting of candles. The service is led completely by acolytes. All acolytes are invited to be a part of the service. There are parts for everyone. We need readers, candle lighters, candle snuffers, and people to hand out things.

**The 2018 Feast of Lights is January 14 at St. Luke's, Jamestown.**

Acolytes should arrive at St. Luke's at 2 pm. We will assign parts, practice the service a few times and then have pizza. Youth who are not acolytes are welcome to participate as well. Everyone should bring vestments if they can. The service will begin at 4 pm and will last about an hour. If you are interested in participating, please contact Mo. Bonnie.

#### Discover Sundays

**Sunday, January 21, 2018 at 2:30 pm in the Diocesan Ministry Center, 1064 Brighton Rd., Tonawanda**  
**From Stranger to Neighbor: What has Changed?**

It has been a year since the implementation of the diocesan-funded ecumenical collaboration of our project called "Welcome the Stranger." The detailed accomplishments of the project will be presented along with appearances of some families who have resettled in western New York. Journey's End Refugee Services personnel will summarize the effect the Presidential Orders of 2017 will have on local refugee resettlement as well as the status of the Deferred Action for Children Arrivals (DACA) program. A reception will follow the program and will feature a sampling of refugee favorite ethnic finger foods. Everyone is invited - Pre-registration is appreciated but not required.

#### Winter Family Fun Day

On **Sunday February 4th**, the First Thirty Ministries will be hosting a Winter Family Fun Day at Como Lake Park in Lancaster. Come spend a wonderful afternoon (12 pm - 5 pm) outside with others from the Diocese. We have reserved "Lancaster Place", which is a short distance away from the sledding hill and right across the road from an ice skating area. Your own equipment is needed. Inside the lodge will be hot chocolate, coffee, and tea to warm you up, as well as family friendly games. Bring a dish or snack to share. Please contact Wendy Schumacher, First Thirty Event Manager, at [weschumacher@episcopalwny.org](mailto:weschumacher@episcopalwny.org) with questions or to RSVP.
