Dear Friends in Christ,

Your generous gift of \$3,200.00 was matched by an international organization based in Honduras and has allowed Food For The Poor to build a double-unit home for a destitute family in Honduras. Enclosed is a portfolio with a photo of the family you helped and the house built through your donation.

I wonder if you realize just how far-reaching the impact of your action has been. Because you decided *to act* on behalf of the poorest of the poor, tonight a family will not be forced to sleep in a garbage dump, or in a slum, or in an unsafe shack. Your kindness has allowed a needy family to experience something they haven't felt in a long time — *hope!*

Your caring has enabled a destitute family to sleep in the comfort and warmth of a home. Your continued support of our house-building program for the poor is crucial. We are truly grateful that you have decided to help those who have nowhere else to turn.

Thank you for your generosity, and may God bless you and your family abundantly.

A servant of the poor,

Robin G. Mahfood
