OUR PROGRAMS

St. John Preschool and Childcare Center is located on the lower level of St. John Lutheran Church. The classrooms utilize an open floor plan and include circle time carpet space, sand and water tables, areas for dramatic play and creative arts, blocks, puzzles and construction games. Our outdoor space features a playground designed for preschoolers and a garden area for exploration of the natural environment. When weather does not permit us to venture out, we use our Faith & Life Center for large motor play and group games.

PRESCHOOL

Ages 3 to 5 Years

2 1/2 hr program; frequency depends upon age

Your preschool child is learning how to be independent and adventurous. We will help your child continue growing and developing new skills while encouraging friendships.

HOURS OF OPERATION

St. John Preschool program runs August—May. The morning session meets from 9:00-11:30 am and the afternoon session meets from 1:00-3:30 pm.

STAFF

St. John employs teachers that hold early childhood and/or elementary teaching degrees. Each classroom has an associate working with the lead teacher.

OUR CURRICULUM

Our academic goal is for your child to be prepared for their kindergarten experience.

Our efforts are geared to helping your child grow socially through interaction with other children, for the development of a positive self-image, as well as large and small motor development.

Our goal is to help your child develop strong character and values. Spiritual growth is nurtured through Bible stories, bi-monthly Children's Church activities, and songs.

CHILDCARE

Starting in August 2012, St. John Preschool will be expanded to become St. John Preschool & Childcare Center! Childcare can be provided for your child before or after preschool or on days when your child is not in preschool. We are pleased to provide childcare for students enrolled at St. John Preschool.

Many activities will complement the preschool classes and encourage exploration, experimentation and play. Rest time is also part of each afternoon to provide a break from all the fun and busyness of the day. A nutritional lunch and snacks are provided.

HOURS OF OPERATION

Monday—Friday, 6:30 a.m.—6 p.m.

HOW TO REGISTER

Preschool registration occurs in January for currently enrolled families and in February for new families. Our intent is that childcare is available for children attending St. John Preschool.

Childcare registration forms are included with preschool materials or available by visiting the website or contacting the office at 268-0165.
