

GIFT CATALOG

Brothers and Sisters in Christ,
For some years now, international relief agencies have offered catalogs where gift shopping can be done by making significant gifts that change people's lives in honor of loved ones. These organizations do good work, and are worth supporting.

This past year a few of us at St. John's thought that instead of only offering gifts to aid those far away, some people might want to give people gifts that change lives right here. In this spirit, we are offering the following catalogue of gifts that you can make through St. John's Church. For every donation made, we will send a thank you including your name and the gift given.

Thank you for helping us help others this year.

Adam

Feeding the Hungry

Episcopal Community Services – St. John’s Food Pantry

For more than thirty years, Episcopal Community Services (ECS) has provided food to those in need throughout our area. Clients receive a regular bag (or sometimes bags) of food, bread and pastries, and special holiday distributions. Recently a clothing closet has been added. This past year, ECS has expanded to include clients that formerly went to a food pantry at First Baptist Church.

One bag of food -- \$15

Food for a family of three for a year -- \$180

St. John’s Family Kitchen

St. John’s Family Kitchen began in 2011 with a vision: provide a hearty, delicious sit-down meal that is served to anyone who comes and make them feel like guests. That welcoming spirit was attractive and the lunches grew from about thirty people once a month to a weekly meal involving five churches and feeding 180.

Provide 15 individual meals -- \$25

Provide 60 individual meals -- \$100

Provide 90 individual meals -- \$150

Provide meals for an entire Saturday -- \$300

Children and Youth

Diocesan Summer Camp

Every year many of our youth from St. John’s join others from around the diocese for a week at Camp Nazareth. A combination of Bible-school type activities, outdoor sports, indoor games, worship, singing, and community building add up to a fun week.

Sponsor one child for camp -- \$325

Youth Group Events

From cosmic bowling to Avalanche Express to the Coolsprings Corn Maze, our young people enjoy getting together and going out into the community. While most outings require most participants to contribute something, we try to keep minimize costs and still offer an activity and a meal.

Underwrite a youth group outing -- \$50

Worship and Music

Brass and Tympani

Underwrite the costs of trumpets, trombones and drums for our festive services.

Brass and Tympani for one service -- \$500

Choir Anthem

Copies of new music must be purchased for each choir member to legally sing them.

Copies of a new anthem for the choir -- \$30

Sanctuary Light

A candle in a red case burns continually throughout the week to indicate the presence of the Christ in the reserved sacrament in the tabernacle on the altar.

One year's worth of sanctuary light candles -- \$225

Discipleship Resources

Bibles

As Father Adam and Deacon Randy work with people, they may require special Bibles.

Giant Print Bible -- \$20

Audio Bible MP3 -- \$65

Adult Education Resources

As classes and trainings are held on topics from healing prayer to spiritual gifts discovery, good books or other resources can be helpful.

Set of ten books for one class -- \$150

Please find attached a reply envelope to choose ministries to support. If the support is to be used as a gift, complete the acknowledge section and we will send a card to those persons noting your generous gift in their honor.

Please note that all funds given will go to the organization or fund indicated and the indicated items will be purchased. In some cases identifying the specific occasion or recipient of the gift may not be possible.
