

Adopt-A-Highway.

Four times a year Quest Youth Ministry cleans up 1.3 miles along White Street from the White Home to the Rite Aid at the end of White Street. We normally hold Adopt-A-Highway on Sunday following the Traditional Worship Service at 11 AM. After the service we have lunch at a local restaurant and then are cleaning up White Street by 1:30 PM. Quest has had White Street as our Adopt-A-Highway location for more than 15 years. The more youth that come out and help the quicker the clean up goes. Occasionally we do our cleanup on a Saturday morning. Check the Quest calendar on the St. John's UMC website for the exact date.
