January 14, 2019

Dear Families,

Registration will begin soon for the 2019-2020 school year. Current preschool families will have the first opportunity to enroll children into the program. During the week of February 11th – 15th you will have time to enroll your child and siblings before registration opens to new families. The following week, Feb. 18th – 22nd enrollment will be open to St. John's church members. On February 25th enrollment will be open to the public. We would love to see all of the children back next year. Enrollment is on a first come first serve basis. All currently enrolled students are guaranteed a spot in a class however, some classes fill faster than others. Enrollment will open at 7:30 A.M. February 11th. Please do not turn enrollment paper work in before this date but feel free to stop by the office and ask any questions you may have.

I have attached an informational sheet about programs offered, fees and tuition. One enrollment form is included. Additional copies of the enrollment form will be available at the reception desk and on the St John's UMC website. You will need to fill out one enrollment form for each child you are enrolling and attach a check made out to St. John's UMC for the registration fee. An enrollment form will not be accepted without the registration fee. The church had originally planned to have an online app available to pay registration fees but the training process is taking a little longer than anticipated. This app will be available by fall 2019.

If you are interested in teaching at the preschool next year, please come speak to me and share a resume. I am always looking for people who are energetic, caring, patient, teachable, positive, and who love working with children.

If you have any questions, please call, email me or stop by the office.

Sincerely,

Katie Goodwin
Director
