

Quest will be attending FX2016, November 11-13. The 17th annual Tsunami Ministries Fall Experience is the perfect spiritual experience weekend for youth groups of any size and denomination. Come and join 1500 awesome middle and high school youth from around the southeast at the best venue around for a weekend that will bless, equip, challenge and send your students back home with a new perspective on who God has created them to be, and inspired to impact their world. FX is far more than a retreat. IT IS AN EXPERIENCE!!!

It is at Ridgecrest Conference Center in Black Mountain, NC. The cost of FX2016 Tsunami Retreat is \$140 per person. Quest will meet at St. John's on the White Street side of the church at 5:00 PM and depart by 5:30 PM. You will need money for two road meals, Friday night and Sunday afternoon.

You will not need to bring any linens, blankets or towels as Ridgecrest provides all of those. Do bring a light jacket as it does get cool in the evening and possibly during the afternoon. Bring good walking shoes as we do a lot of walking. Bring your high energy and your heart for the word of God and compassion and love for your brothers and sisters in Christ. We will return to St. John's on Sunday November, 13 by 4 PM. We will not have Quest on Sunday, November 13.

You'll find Christ-centered, relevant messages that will reach your students, along with high-energy worship and amazing production. Ridgecrest is beyond beautiful and your registration fee covers...
