

Ever wondered what it was like to walk the streets of Bethlehem the night Jesus was born? We invite you to come back in time with us to that special night, to hear the story first-hand; to meet the people; to walk the streets and to meet the newborn baby Jesus, wrapped in swaddling clothes and laid in a manger.

The youth of St. John's are part of the cast for Journey to Bethlehem. They can play the part of an angel, Mary, shepherds, the children of shop owners, and much more. They can also help by serving hot chocolate to our guests who are waiting in line to Journey through Bethlehem.
