

# Nursery FAQ's

## What should I bring to the nursery?

Please bring a diaper bag containing the following:

**Infants:** several diapers, wipes, change of clothes, bottles (please label with your child's name), pacifier (if needed), bib and any special items specific to your child.

**Toddlers:** several diapers, wipes, change of clothes, sippy cup (please label with your child's name) and any special items specific to your child. If you do not want your child to eat goldfish crackers for a snack or your child has a food allergy, please provide a snack labeled with your child's name and notify the caregivers in your child's classroom.

**Two Year Olds:** diapers/pull-ups and wipes (if needed), extra underwear (if potty trained), extra change of clothes, and any items specific to your child. If you do not want your child to eat goldfish crackers for a snack or your child has a food allergy, please provide a snack labeled with your child's name and notify the caregivers in your child's classroom.

## Is my child too sick to come to church?

In order to provide a safe, healthy nursery for all of our children, we ask that you keep your baby or toddler at home when he or she exhibits a fever, vomiting, diarrhea, runny nose, sore throat, rash, or any other sign of infection. Please be sure your child has been free of all symptoms for at least 24 hours before returning to the nursery.

## How does the church help my family to stay healthy?

We strive to provide a clean, healthy environment for your child by adhering to the following measures:

- \* Diapers are changed on a washable pad. Safety straps are fastened on changing tables.
- \* Disposable gloves are used to change diapers. Creams and powders are not used unless parents request and provide them.
- \* Soiled diapers, wipes, and gloves are immediately placed in a diaper disposal container.  
Changing surfaces are cleaned after each use with a disinfectant.
- \* Hand cleanser is used after each changing.
- \* Crib sheets are changed after each use.
- \* Toys are disinfected after each use.
- \* Parents are asked to label all bottles and sippy cups with their child's name. Labels are provided in the event that a family forgets to label their cups and bottles.
