Monsignor Hubba, Fr. Anthony, Fr. John

Thank you for all you do for our Parish. It is truly appreciated, and you all make the Parish a warm and welcoming place to worship.

Under the most difficult circumstances this year it was good to know that you were always there by seeing the Masses online.

St. Joseph's is lucky to have all 3 of you.

Don Murray

The Solinas Family is so grateful for the priest of our parish. Their spiritual vocation has had a profound impact on our lives. We consider our wonderful priests an extension of our family and appreciate our faith journey together. May God bless Monsignor Hubba, Fr. Anthony and Fr. John and all their works in the name of Jesus.

I can truly say that I don't know where I would be in my life today without the spiritual leaders of our Parish, both present and past. They have all had a way of making me look forward to attending Sunday masses and experiencing the miracle of the Eucharist. I so appreciate their loving commitment and dedication to all members of our parish. Also, all the behind the scenes things they do for all of us, that seem to never end. I don't know where they find the time or the energy. I look forward to many more years of enjoying their blessings. God bless them all. Thank you.

Dear Monsignor Hubba, Father Anthony, Father John, Decon George,

You are indeed a reflection of God's love and I appreciate you, all that you have done and continue to do.

In this time of turmoil in our country the Lord remains steadfast. We cling to our faith

and you provide us with the support we need and treasure.

Know that you make a difference, I continue to keep you in my prayers.

Forever Grateful,

Therese Ascolese

We are very appreciative for the past and present priests in our parish. They carry out their responsibilities to us daily and help our parish to function as a wonderful community. It is especially difficult for all of us during this Pandemic and we are grateful for the extra steps that are required to keep our Parish running smoothly. We are so grateful for the dedication and commitment that our priests have to our parishioners. I remember when my dad passed away 5 years ago, September 30th, 2015 Father Hubba agreed to serve the Funeral Mass and gravesite prayers at my mom's request. Although he did not know me or my family personally, nor my dad, he agreed to perform the service. Father Hubba asked to meet with me prior to the funeral service and Mass to see pictures of my dad and our family. We met for a short meeting at the Rectory and discussed my dad and our family relationships. Fr. Hubba eloquently spoke about my dad at the Funeral Mass and so many people who attended the Mass praised him for his touching and beautifully delivered homily. I will never forget Fr. Hubba's benevolence and dedication to us. My family and I will always be so grateful to him.

So a huge "thank you" to the priests of our parish for their kindness, dedication and diligence. Our parish community needs you!

Dear Monsignor Hubba, Fr. Anthony and Fr. John,
We would just like to say thank you for all of your hard work and support in helping us start this ministry. Thank you for taking the time to meet with us and in helping us continue to grow in our faith. Without you, this group would not be possible. Your dedication has helped us become closer as a community and provided us with an outlet where we can discuss our every day lives and faith journeys. We are excited to keep expanding this ministry and working with all of you. Thanks again!

To Our Priests,

Thank you for leading us to Jesus by your example. Particularly, during this pandemic. When we were seeking these past few months, you all helped us find peace in our darkest moments. Words of encouragement and your prayers sustained us. Bringing us back to physical mass (safely) lifted our spirits. I felt as though I was in the desert seeking Him during those dark months. Fr Anthony, Fr John and Msg Hubba- You are the light during these storms. Like a shepherd He feeds His flock...bringing them home. Thank You! Our Community is blessed to have you leading us.

May God continue to Bless you and keep you close to His teachings. May He never be apart from you and may His spirit dwell within you each and every day. You're in my prayers daily.

God Bless you!

So many priests in the past were a big part of our community. Never to be forgotten.
