

First Grade

Dear Parents and Students,

If you practice these things over the summer you won't have any problems in 1st Grade.

1. Practice the alphabet, say it and write it using upper and lowercase letters.

2. Practice the sounds you learned.

3. Practice writing numbers 1-100.

4. Practice rhyming words in poems.

5. Keep reading with your parents and reread some of the decodeable take home books you read in Kindergarten.

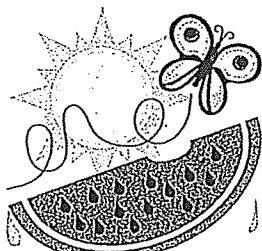

6. Practice the high frequency word list.

7. Practice the name of coins and how much they are worth.

8. Practice adding and subtracting.

A note was sent home to you about The School Tool Box. If you didn't order it, please be on the look out for a plastic box with a removable lid, size 13"x7"x4 1/4". (If it is any bigger it won't fit in their desks.) Many parents have found this at The Container Store. Also when shopping for a backpack, please **don't** get a rolling one. This is for the students' safety.) I am looking forward to a wonderful year in 1st Grade! Have a great summer! I'll see you in September.

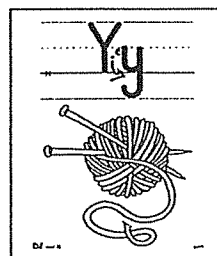

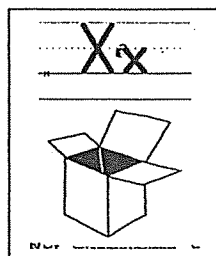

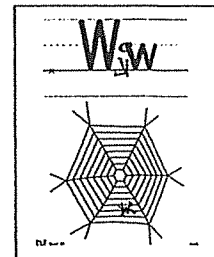

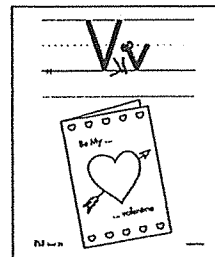

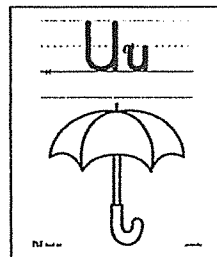

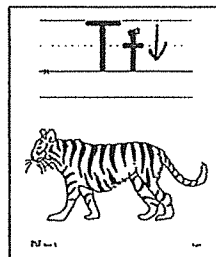

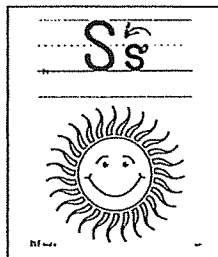

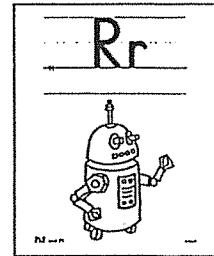

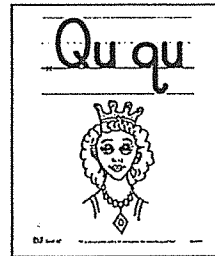

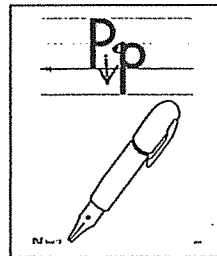

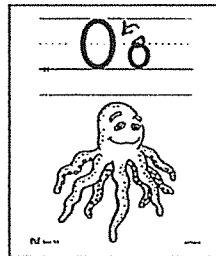

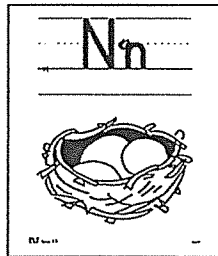

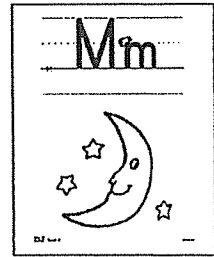

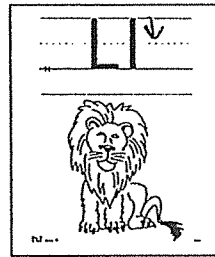

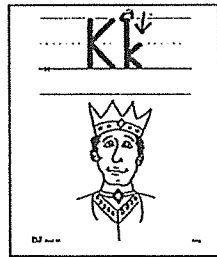

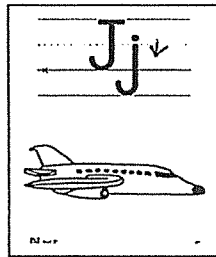

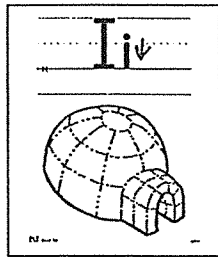

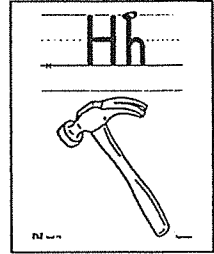

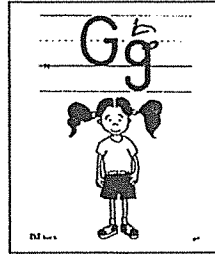

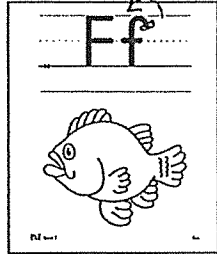

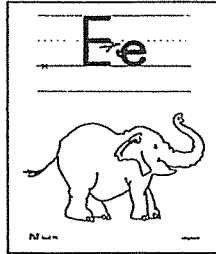

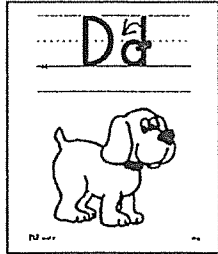

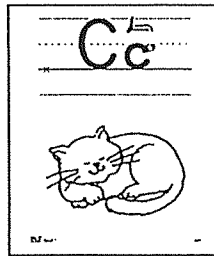

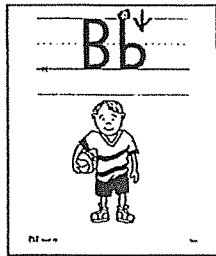

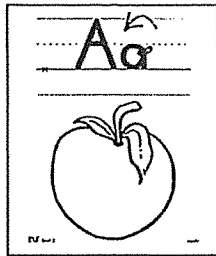

Love,
Mrs. Asaro
