

WELCOME FUTURE THIRD GRADERS!!

Dear Parents and Students,

I would like to congratulate all of the students for completing second grade. To keep up with your skills, I am recommending a book which can be purchased either at Barnes and Noble or on Amazon.com. The name of the book is called Summer Bridge Activities, Grades 2-3 by Carson-Dellosa. The ISBN is 13 9781620576090, published 1/2/2013 and contains 160 pages. The cost is approximately \$12.95. This activity book contains core curriculum activities to which our curriculum is aligned with. I suggest 15 minutes per day, as the skill lessons will keep your child actively engaged in learning.

In addition to the skill activities, your child is required to read at least two books from the list on the reverse side of this memo. We will be doing an in class project with one of the books when the students return to school. The selection is quite large, so there should be an ample choice for your child.

Have a great summer and I anxiously await the arrival of my new third graders into our classroom in September.

Mrs. Quigley

Grade 3 – Book List

The BFG

Matilda

Charlie and the Chocolate Factory
