## Saint Joseph School

We are a faith community that provides Catholic/Christian education within the context of a parish school.

We offer both self-contained classrooms and a departmental structure with an emphasis on student achievement, discipline, and maintaining a child-centered environment.

We foster strong academic outcomes, a commitment to Catholic values, personal responsibility and the development of each student's potential.

# Excellence in elementary education since 1939.

Saint Joseph School is located in a campus-like setting on the border of Oradell and New Milford, New Jersey. **Middle States-accredited** and staffed by **state certified teachers**, SJS provides students with both **traditional Catholic values** and the “blue ribbon” **academics** necessary to succeed in the future.

*SJS is proud of its emphasis on the development of intellectual, spiritual, moral and social values in its students.*

One of the most important decisions you will make is where to send your child to school. Take a look at our website at **[sjsusa.org](http://sjsusa.org)** to see why Saint Joseph School offers everything your child will need to grow to truly love learning.

**CHALLENGING ACADEMICS** that meet all State and Archdiocesan standards.

**INNOVATIVE TECHNOLOGY:** In addition to two complete computer labs, a mobile laptop lab, iPads for student use, and campus-wide WiFi, classrooms are equipped with interactive whiteboard technology.

**SPIRITUAL DEVELOPMENT:** Religion class and prayer are daily experiences. Students attend Mass together monthly and celebrate seasonal devotions. Service opportunities are offered and encouraged.

**ACTIVITIES & SPORTS:** Studio art, drama, environmental club, yearbook, choir, a cappella singers, math club, rocket club and more; three interscholastic sports (basketball, track, cheering) plus martial arts, bowling, archery and more.

**BEFORE & AFTERCARE** is available.

**FAMILY INVOLVEMENT** is an essential part of Saint Joseph's culture and success. In addition to our very active Parent Teacher Organization and School Advisory Board, parents are welcome and encouraged to be part of their child's school experience through participation in our many family activities.

*“Doesn't your child deserve a values-based education?”*
