

**Spring, 2016**

**To all graduating high school students and currently enrolled college students who have previously received a scholarship from St. Luke's.**

**On this web site page, you will find links to the St. Luke's Kate Graham Scholarship Fund application, and also to a brief summary of the extra Kate Graham Award.**

**Each year, the Scholarship Committee awards scholarships to young adult members (age 17 – 24) of St. Luke's Church who are attending, or will be attending, two or four year colleges or trade schools. Applicants are eligible to receive yearly grants for up to four years of continuous education. Students pursuing post-graduate studies may also be considered for a scholarship grant.**

**The criteria for consideration for a scholarship grant consists of being a member "in good standing" of St. Luke's Episcopal Church. "In good standing" means active and regular attendance at church, when you are at home during school breaks and the summer, as well as being a pledging member of time, treasure, and talent. Your active involvement within the church, during the summer months, is taken very seriously, especially with helping out during the fair and the lobster bake. Academic achievements and overall community service are additional important elements that will be considered in evaluating your application.**

**In awarding these grants, the committee considers any and all involvement made to your life at St. Luke's. The following are examples of "points" for service: acolyte, choir member, assistant Sunday school teacher, coffee hour host, and volunteering at the annual Church Fair, Pancake Breakfasts, Spaghetti and Clam Chowder Dinners, or the summer Lobster Bake**

**We invite you to apply, by filling out an application (linked on the web site page) which serves for both the general application and the *Kate Graham Award*. Typed responses are preferred. The deadline for receipt of completed applications is **April 30th**. Please return completed applications to the church office at 18 James Lane, East Hampton.**

**If you have any questions, please contact Holly Whitmore at 267-7852.**

**Sincerely,  
St. Luke's Kate Graham Scholarship Fund Committee**
