St. Luke's Kate Graham Scholarship Fund was established in 1988. The fund has provided the young people of our church community with scholarships to help in their pursuit of higher education. Since the fund's inception, over 238 scholarship grants, totaling over \$151,000-, have been distributed.

In 1992, Kate Graham, an active member of the church, died in a tragic automobile accident during the summer preceding her senior year at East Hampton High School. St. Luke's Scholarship Fund committee and Kate's parents worked to establish a special scholarship to commemorate Kate's life.

The [Kate Graham Award](#) is given to a student who has consistently provided exceptional service to and participation in the activities of the church during his or her school years. This award is reserved for the individual whose service to St. Luke's Church and overall community service deserves special recognition.

In 2012, St. Luke's Scholarship Fund incorporated Kate's name, and is now officially the St. Luke's Kate Graham Scholarship Fund
