Awaken Our Hearts

"I will place a new heart within you..." - Ezekial 36:26

Through the transforming power of a mission, we will see with new eyes, we will hear with our hearts, and we will believe with our living! Through music, scripture, reflection and the sacraments we are awakened to the presence of God in our own life and in our life together as a parish family. Plan to join us - for yourself and for our parish.

Here's a little more about Vince Ambrosetti who will lead our Parish Mission. Watch for more details in upcoming weeks!

Vince Ambrosetti is an artist with a passionate love for God, for people and for music. His accomplishments are vast. Two of his most memorable moments include singing one of his best-loved songs, "Sanctuary," during Communion at the funeral of Mother Teresa in Calcutta, India and performing for the late Pope John Paul II.

888-898-SONG

Vince has been nominated for three Grammy awards, released more than 25 CDs and composed over 350 songs, collaborating on projects with well known artists and producers like John Michael Talbot, Terry Talbot, and Phil Perkins. In 2001, he was named Catholic Artist of the Year. He has conducted over 500 parish missions throughout the world. Vince has inspired millions of people with his music and his message of hope, "I want to enliven and inspire people of faith and, through music, touch the hearts of those who cannot be reached by words alone."

Vince says, "Music is a powerful communicator, expressing that which words often cannot speak. Through music, Word, ritual and story, we rediscover that the values of the world around us ought not be our "reality;" rather, our reality is our faith in the Risen Christ, pervasive to the whole of our lives. This rich tradition combined with the Word of God through the Sacramental journey is the schematic by which we are called to live."

Vince invites all to come and experience **Awaken Our Hearts** with this challenge: "From Baptism to table, from table to world: we are called, anointed, fed and sent as presence of the loving God."

Rev. Stephen Forrest

Living the Gospel...

From Persecutor to Apostle

It's amazing to look at Paul. Here in his first letter to the Corinthians he tells them that: "For I am the least of the apostles, not fit to be called an apostle, because I persecuted the church of God. But by the grace of God I am what I am, and his grace to me has not been ineffective." To be honest, I can see where Paul is coming from. As a priest, you enter into the most grace-filled places in other people's lives. Whether it's through the sacraments or another life celebration, or sadly through tragedy, you get for some unknown reason, to bring Christ.

This past January 25th we celebrated the "Conversion of St. Paul". It is the only conversion experience that we celebrate as a Church. A person whose whole life is turned around, and because of an encounter with Christ becomes an apostle. As he claims, he was someone who persecuted the early church, he was present at Stephen's stoning, he is on his way to do more of the same when his conversion happens. So what changed and made him this great Apostle? In many ways, I would claim

that nothing changed. Paul's conversion isn't a miracle in the magical sense that God waves a magic wand and all of a sudden he is a nice person. Perhaps it's more like the voice he hears on the road, the little voice in his head (a conscience maybe) that isn't sitting all happy, but rather is feeling lost, persecuted, hated, dead, in the name of who or what? How can that be right?

But through all this, Paul remains Paul. He is still himself, the same zeal he used to persecute, the same energy he used for hate was now being used for love and the Gospel.

Paul maybe the "least of the Apostles" in his mind, is the most human apostle to us. He, like us, is a person in need of conversion. He invites us to see our gifts and talents as God's gifts and that we are who we are by that grace. He invites us to share those gifts even if we feel unworthy or that others are not worthy of us, because it's by God's grace we are who we are.

De Perseguidor a Apóstol

Es increíble mirar a Pablo. Aquí, en su primera carta a los Corintios les dice que: "Yo soy el último de los apóstoles, indigno de ser llamado apóstol, porque perseguí a la iglesia de Dios. Pero por la gracia de Dios soy lo que soy, y su gracia para mí no ha sido inefectiva." Para ser honesto, puedo entender de lo que habla Pablo. Como sacerdote, entramos en los lugares mas llenos de gracia en la vida de otras personas. Ya sea a través de los sacramentos o de otra celebración de la vida, o una triste tragedia, nos toca por alguna razón desconocida traer a Cristo.

Este pasado 25 de enero celebramos la "conversión de St. Pablo". Es la única experiencia de conversión que celebramos, como Iglesia. Una persona cuya vida se dio vuelta completa, y debido a un encuentro con Cristo se convierte en un apóstol. Como dice, era alguien que persiguió a la iglesia primitiva, que estuvo presente en la lapidación de Esteban, que está en camino a hacer más de lo mismo cuando ocurre su conversión. ¿Que fue lo que cambió y lo hizo este gran Apóstol? En muchos sentidos, me atrevería a decir que nada ha cambiado. No es un milagro de la conversión de Pablo en el sentido mágico que las ondas de Dios una varita mágica y de repente es una persona

agradable. Tal vez se parece más a la voz que escucha en el camino, la pequeña voz en su cabeza (la conciencia tal vez) que no es estar sentado todo feliz, pero no se siente perdido, perseguido, odiado, muertos, en nombre de quién o qué? ¿Cómo puede ser eso correcto?

Pero a través de todo esto, Pablo sigue siendo Pablo. Todavía es el mismo, el mismo celo que utilizo para perseguir, la misma energía que utilizó para el odio ahora estaba siendo utilizada para el amor y el Evangelio.

Pablo tal vez el último de los apóstoles "en su mente, es el apóstol más humano para nosotros. Él, como nosotros, es una persona en necesidad de conversión. Él nos invita a ver nuestros dones y talentos como dones de Dios y que somos lo que somos por esa gracia. Él nos invita a compartir los dones, incluso si nos sentimos indignos o que los demás no son dignos de nosotros, porque es por gracia de Dios, que somos lo quienes somos.

Thank You from Fr. Stephen...

I just would like to share a few words of immense gratitude to those who worked so hard for our first St. Joseph Catholic Academy Lower School Campus Open House. We had over 50 families pass through our doors. Mr. Germinaro, Sr. Sylvia, Mr. Ed Kovochich, the teachers, home and school parents (who gave tour after tour after tour!), administrative staff (some of who also had to give tours!), all worked tirelessly yesterday. Driving home I must admit tears filled my eyes. I felt such a sense of pride and joy for those who for years have dreamed of making a K-12 Catholic school a reality for us in Kenosha. The response of so many families is reassurance enough that they chose the right path. Please continue to keep the dream alive with your prayers, support and encouragement for all those involved, but most of all for our kids who were fantastic yesterday. As one mom said, they are our greatest ambassadors, and yesterday they were magnificent!

Quiero compartir unas palabras de gratitud inmensa a los que trabajaron tan arduamente en nuestra primer Casa Abierta de la Academia Católica San José Planta Baja. Tuvinos a más de 50 familias que pasaron por nuestras puertas. El Sr. Germinaro, la Sr. Sylvia, el Sr. Ed Kovochich, los maestros, (que dieron visita tras visita tras de visita!), la administración (algunos de que también tuvieron que dar visitas!), todos trabajaron incansablemente ayer. Debo admitir que en rumbo a casa se llenaron mis ojos de lagrimas. Sentía tanto orgullo por los que por años soñaron en tener una educación católico K-12 una realidad para nosotros en Kenosha. La respuesta de tantas familias es señal de que escogieron el sendero correcto. Continúe por favor manteniendo el sueño vivo con sus oraciones, apoyo y ánimo a todos los implicado, pero sobre todo para nuestros niños que se portaron fantásticamente ayer. ¡Como una mamá dijo, ellos son nuestros mejores embajadores, y ayer estuvieron magníficos!

Thank you in advance from your Human Concerns Committee.

El 25% restante se quedó aquí para nuestra parroquia, para ayudar a satisfacer las necesidades de los pobres en nuestra propia comunidad. Los Platos de Arroz y calendarios de Cuaresma 2010 se distribuirá el próximo fin de semana. Por favor sea tan generoso como le sea posible, las necesidades son muy grandes. School News

Catholic Education: Dividends for Life. This past Friday, we concluded our celebration of National Catholic Schools Week. It is the time each year when we share with the parish and community the many ways our school makes a difference in our community while educating students in an atmosphere of faith and values. We want to thank all of the families, parishioners and friends from our parish family who helped make our week special. Celebrating a liturgy with Archbishop ListECKI was absolutely outstanding. Working with each other on place-mats for our parish members, noting awards for our student leaders, welcoming many visitors into our building, celebrating and eating at our Fish Fry, and being assisted by so many members of our wonderful Home and School Association truly helped us be proud of our Catholic education and heritage. To name each of these people would be impossible, but know that our prayer of thanks comes to each of you. Whenever there was a need, there was a Home and School Parent to help us out. How fortunate we truly are. Our thoughts about the gift of Catholic Education will remain on display in the back of church. Please read our messages of how we grow in the areas of faith, knowledge, morals, and discipline, as well. We thank our parents for providing this educational opportunity for their students.

Next week we will share our Students of the Month for January and December, as well as the Terrific Kids who received awards this past week. All students are terrific in their own way. Please feel free to visit us and tour our school to see these students in action. Saint Joseph Catholic Academy will provide a wonderful opportunity for students to grow in so many ways. Come and see, come and join this fine educational effort. Call us at 656-7360 for a private tour. Have a wonderful week.

FOR YOUR MARRIAGE

Christian marriage is not a 50/50 contract. It's a covenant, which means that each spouse promises to give unreservedly--100%.

El matrimonio cristiano no es un contrato donde cada uno pone su mitad. Es más bien una alianza donde cada cónyuge promete darlo todo en una entrega sin reservas.

Parish Evangelization

"There are no strangers here... only friends we haven't met."

This Thursday, the Church celebrates the feast of "Our Lady of Lourdes". On December 8, 1854, Pope Pius IX proclaimed the dogma of the Immaculate Conception in the apostolic constitution *Ineffabilis Deus*. A little more than three years later, on February 11, 1858, a young lady appeared to Bernadette Soubirous. This began a series of visions. During the apparition on March 25, the lady identified herself with the words: "I am the Immaculate Conception." Bernadette was a sickly child of poor parents. Their practice of the Catholic faith was scarcely more than lukewarm. Bernadette could pray the Our Father, the Hail Mary and the Creed. She also knew the prayer of the Miraculous Medal: "O Mary conceived without sin."

During interrogations Bernadette gave an account of what she saw. It was "something white in the shape of a girl." She used the word *aquero*, a dialect term meaning "this thing." It was "a pretty young girl with a rosary over her arm." Her white robe was encircled by a blue girdle. She wore a white veil. There was a yellow rose on each foot. A rosary was in her hand. Bernadette was also impressed by the fact that the lady did not use the informal form of address (*tu*), but the polite form (*vous*). The humble virgin appeared to a humble girl and treated her with dignity.

Through that humble girl, Mary revitalized and continues to revitalize the faith of millions of people. People began to flock to Lourdes from other parts of France and from all over the world. In 1862 Church authorities confirmed the authenticity of the apparitions and authorized the cult of Our Lady of Lourdes for the diocese. The Feast of Our Lady of Lourdes became worldwide in 1907.

This week, as a "Gentle Evangelizer," remember that, as a "light unto others," like Bernadette, you too are in a position, by your actions, to help revitalize the faith of your family, friends, and strangers whom you have yet to meet. + Take the time to pray the rosary to Mary sometime this week for someone you know. + Begin the process of inviting someone to attend our parish mission at the end of the month with you. + Thank God for the gifts that he has given you. + St. Luke said of the earliest disciples. "...they left everything and followed Him." Rededicate yourself as a disciple of Christ as well as part of our church community of welcome, service, and support.

Valentine's Day is coming soon. Need a special gift for your spouse? Why not take them away for a special weekend of communication, reflection and time away from your hectic schedule. The next Worldwide Marriage Encounter Weekends are Feb 12-14 in Rockford, March 12-14 in Madison, April 16-18 in Milwaukee, April 30-May 2 in Rockford and June 11-13 in Rockford. Early registration is highly recommended. For more information visit our website at: ALIFETIMEOFLOVE.ORG or call (888) 574-5653.
