Living the Gospel...

Coming down the mountain.

As we find ourselves in the third week in Lent, we are given Moses' call to reflection. What is always interesting is that Moses finds a multitude of 'reasons' why he shouldn't be chosen. Right after God tells him who He is in our first reading, Moses tells God that, first of all the people won't believe that he comes from God, then that he cannot speak well, and finally that He should send someone else.

Now if you are like me, you have never seen a burning bush, nor have you had God speak to you directly. However, we can all remember moments in life that have been a "revelation" and have changed our lives, or when we have made commitments and we have come to understand our lives and loves in a new way because of it. We are drastically obviously changed by the events and sadly sometimes, by the trauma of our lives.

Our faith lives are the same. This past week many of us had the profound experience of living our Parish Mission "Awaken our Hearts". Others may be members of Emmaus Retreats, small Christian communities or have gone on other spiritual

retreats. Even others of us may have been at a concert and been moved by the experience to do things differently.

I guess the important thing for me is to know once those events, retreats and powerful moments are over we take that energy, that love and knowledge that God is with us. We have the power to see and transform the ordinary things in our lives and the lives of others. At some point in our experience with Vince and the Parish Mission he told our St Joseph Academy kids, "don't be ordinary!" Having "seen" God and felt God's presence, how can we still be ordinary, what is more, how can we leave our world the way it was?

Finally a big thanks to so many from our Parish Mission, Vince and Sharon for their inspiration, but also to a cast of many who coordinated, prepared, ushered, invited, promoted and energized our five days together. All who accepted the invitation. It was powerful beyond words and I feel privileged that we were able to share some of this time together.

Bajar la montaña.

Al encontrarnos en la tercer semana de Cuaresma, se nos da a reflexionar el llamado de Moisés. Lo interesante es que Moisés encuentra una multitud de "razones" por las cuales él no debe ser escogido. En nuestra primer lectura, justo después de que Dios le dice quien es, Moisés le dice a Dios que, primera nadie creará que el viene de Dios, y que el no sabe hablar bien, y al último que Dios debe enviar a otra persona.

Ahora si usted es como yo, nunca ha visto un arbusto en ardor, ni a le ha hablado Dios directamente. Sin embargo, nosotros podemos recordar momentos en la vida que han sido una "revelación" y ha cambiado nuestras vidas, o cuando hemos hecho compromisos y hemos venido a comprender nuestras vidas y amores en una nueva manera a través de ello. Obviamente somos cambiados drásticamente por los acontecimientos y a veces, tristemente por los traumas de nuestras vidas.

Nuestras vidas de la fe son lo mismo. Este la semana pasada muchos de nosotros tuvimos la experiencia profunda de vivir la Misión Parroquial de "Despertar nuestros Corazones". Otros pueden ser miembros de Retiros de Emaus, pequeñas comunidades cristianas o han pasado una retiro espiritual. Aún

otros podemos haber estado en un concierto y fuimos movido por la experiencia para hacer cosas de forma distinta.

Creo que lo importante para mi es saber que una vez esos acontecimientos, retiros y momentos poderosos pasan, se podemos tomar esa energía, ese amor y saber que Dios está con nosotros. Tenemos el poder de ver y transformar las cosas ordinarias en nuestras vidas y las vidas de otros. ¡En algún punto en nuestra experiencia con Vince y la Misión de Parroquia que él les dijo nuestros niños de la Academia San Jose, "no sean ordinarios"! ¿Al haber "visto" a Dios y sentir Su presencia, cómo aun podemos ser ordinarios?, es más ¿cómo podemos dejar nuestro mundo como estaba?

Por último gracias a tantos de nuestra Misión Parroquial, Vince y Sharon por su inspiración, pero también a muchos que coordinaron, prepararon, acomodaron, invitaron, promovieron y vigorizaron nuestros cinco días juntos. A todos los que aceptaron la invitación. Fue poderoso más allá de palabras y yo me siento privilegiado de poder compartir en esos momentos juntos.

March Outreach

Our Human Concerns March Outreach extends internationally to India.

School Sisters of St. Francis, the community who has ministered to the children and families of St. Mark Parish since 1931, are also presently working with the poor of India. The sisters, are professionally trained as teachers, nurses and social workers. They also assist in agricultural development and self-help projects.

As God's people, can we help children go to school? It costs 45 cents a day for each child. (\$160 a year) Can we help build two classrooms? Cost is estimated at \$11,000. Can we help funds for special needs such as sickness, buying a cow or other expenses? Can we provide money for food? Two out of three people live on less than \$2 a day. The need is great and always present.

Outreach boxes are located in the vestibule. Prayers of thanks and blessings are sent your way.

Ayuda para la India

Nuestro enfoque de marzo para las preocupaciones humanas se extiende internacionalmente a la India. Las Religiosas Franciscanas, la comunidad que ha servido a los niños y familias de San Marcos desde 1931, también están trabajando actualmente con los pobres de la India. Las religiosas, están capacitados profesionalmente como maestras, enfermeras y trabajadoras sociales. También ayudan en el desarrollo agrícola y los proyectos de autoayuda.

Como pueblo de Dios, podemos ayudar a que los niños vayan a la escuela? Cuesta 45 centavos al día para cada niño. (\$160 al año) ¿Podemos ayudar a construir dos aulas? El costo se estima en \$11,000. Podemos ayudar a las necesidades especiales, tales como enfermedad, comprar una vaca u otros gastos? ¿Podemos dar para la comida? Dos de cada tres personas viven con menos de \$2 al día. La necesidad es grande y siempre está presente.

Cajas de recaudación se encuentran en el vestíbulo. Gracias de antemano.

School News

Congratulations to our Second Graders who received their First Reconciliation last week! The reconciliation service was also attended by our Third, Fourth and Fifth Graders.

The Olympics ended with vast memories both in Vancouver, and at our school. So many people helped us have a most fascinating experience with sporting events during our Physical Education classes. Thank you to moms, Mrs. Ryan and Mrs. Connolly, who contributed their services in evaluating and assisting in the competing events. Thank you to Mrs. Rudd, who baked Olympic cookies as a reward for everyone on the excellent work and cooperation they gave to this competition. A most

special thanks to Mrs. Hantke, who brought a family friend, whose father was an Olympic competitor and torch bearer several years ago. Mr. and Mrs. Henry showed the student body films of actual events, as well as the skates used by Mr. Henry's dad when he was in the Olympics. We even were able to view the torch and medals won in this wonderful experience. Thank you to all these friends, who make learning extra special in our school.

Thank you to Mr. Ambrosetti, the musician who directed our parish mission. He celebrated our all school mass with us this past Tuesday. Listening to his music, singing with him, and praying as our school family was a fabulous experience that was unforgettable. Thank you to the family of St. Mark Parish, who brought this wonderful "teacher" to us.

Tours continue coming our way. Another Open House will be held next Tuesday, March 9, from 5:00 - 7:00. So many inquiries continue, so this event should answer many questions. Please join us as we continue to plan and participate in being forerunners of an outstanding educational program here in Kenosha. For further information, please call us at 656-7360. You will be pleasantly surprised at the astonishing new ideas planned for the future. Have a great Third Week of Lent

SCRIP Sales This Weekend

Easter Flowers

Included in the parishioner stewardship envelopes for the month of March is an envelope designated for Easter Flower offerings. The funds from these envelopes are used to purchase the fresh flowers used to decorate the sanctuary throughout the liturgical seasons. It has been a tradition at St. Mark to have flowers designated as a memorial for a loved one or family to be used for the great liturgical celebration. In order for many to be a part of this tradition, those who wish may use a pink border floral envelope, designating on the front a single person or family name to be memorialized. Those memorials in the amount of \$15 or more will be published in a bulletin insert at Easter.

Flores de Pascua

Incluido en sus sobres semanales de limosna de marzo se encuentra un sobre de orilla rosa que dice "Easter Flowers" flores de pascua. Lo recaudado en estos sobres sirve para decorar la iglesia con flores naturales durante todo el año. Tradicionalmente en San Marcos uno puede pedir que la donación para las flores sea en memoria de un ser querido o una familia. Si usted desea participar solo anote el nombre de un ser querido o de una familia en el sobre con la orilla rosa. Las donaciones de quince dólares o más serán publicadas en el boletín durante la Pascua.

Parish Evangelization

"There are no strangers here... only friends we haven't met."

The story is told of a Pencil Maker taking a pencil aside just before putting him into the box to be shipped. He told the pencil this: "There are five things you need to know before I send you out into the world. Always remember them and never forget, and you will become the best pencil you can be.

(1) You will be able to do many great things, but only if you allow yourself to be held in someone's hand. (2) You will experience a painful sharpening from time to time, but you'll need it to become a better pencil. (3) You will be able to correct any mistakes you might make. (4) The most important part of you will always be what's inside. (5) On every surface you are used on, you must leave your mark. No matter what the condition, you must continue to write.

What can we learn from this advice to the pencil? We all need to constantly be sharpened. Each of us is a special person with unique God-given gifts, talents, and abilities. Only we can fulfill the purpose which we were born to accomplish. Never allow yourself to get discouraged and think that your life is insignificant and cannot be changed. Leave your mark on every person you encounter.

This week as a "Gentle Evangelizer," focus on leaving your mark on someone. Remember the gardener in today's gospel pleaded to save the fig tree, because with care it could bloom. Each of us is surrounded by the love and concern of our God. It is easy to make someone else bloom by our actions. + If we take the time to help someone and + share a smile, + say a tender word, or + share something tangible, it will surround them with our love and concern, as well as that of our God! With care, they could bloom as well!

Adult Confirmation

We would like to extend an invitation to any adult who has not celebrated the Sacrament of Confirmation to join us in an 8-week series on the basics of the Catholic Faith. Classes will meet at St. Anne on Thursday evenings beginning March 18th, with a break for Holy Week and Easter. This series would also make a good "refresher" for any adult Catholic or for someone interested in what the Church teaches. Contact Danny Rodriguez at dprodriguez@wi.rr.com or Juanita at the rectory at 262-656-7373 with questions or to sign-up.

Why Be Catholic?

Our faith is rooted in the bible and in ancient traditions. It is a community, united in Jesus Christ, which seeks to grow in the love of God and our fellow men and women. We are a community of sinners who rejoice in the salvation given to us through Jesus Christ. If you feel the call to become a member of the Catholic Church, or if you have questions concerning the Church's teachings or practices, you are invited to contact Danny Rodriguez at dprodriguez@wi.rr.com or through Juanita at the rectory at 262-656-7373. The process of "becoming Catholic" is year round and on-going.
