*“Lord, teach us to pray just as John taught his disciples.”
He said to them, “When you pray, say:
Father, hallowed be your name,
your kingdom come.
Give us each day our daily bread.”*

— Lk 11:1b-3

*“Señor, enséñanos a orar, como Juan enseñó a sus discípulos”.
Entonces Jesús les dijo: “Cuando oren, digan:
‘Padre, santificado sea tu nombre,

Living the Gospel...

Negotiation for the one good person.

It is fascinating to see in Abraham's conversation with God how he, little by little, starts to negotiate with God. Abraham, it seems, is worried about there being a good person in the cities that God wants to destroy. Abraham, funny enough, invites God to reflect on the goodness, not of a collective or a city, but on the individuals in the place.

I think for us, too, I think we can also reflect on Abraham's conversation in our own prayer life. I have, at times, found myself thinking, as many of us do, why if I pray, asking God for good things, do things often turn out differently?

It seems to me that our prayer is often that way, a negotiation. We are Ok at talking to God, but are not always ready for his response. They can seem unfair, wrong; they can make us angry and even in some ways make us doubt God all together. In addition, I would add, "why not?" It is often in the extreme cases and in the saddest parts of our

lives that we need God and we pray. If God does not seem to respond to us, do we have the right to be upset or feel betrayed? I personally think we can and quite often do.

Probably, and it may not be a consolation to any of us, the only thing we have left is our hope and trust that God is with us. If we believe in a God who became one like us, and shares in our joys and sufferings, then I would hope that this God is in every outcome of our lives and the life of our Church. To be patient and see that God is there is never easy, perhaps only time can heal such wounds but left with not much else our souls turn to God in prayer and trust.

Negociación para la persona buena.

Es fascinante ver en la conversación de Abraham con Dios cómo, poco a poco comienza a negociar con Dios. Abraham parece estar preocupado por no haber una buena persona en las ciudades que Dios quiere destruir. Abraham, curiosamente, invita a Dios a reflexionar no sobre la bondad, no colectiva o de una ciudad, sino en los individuos del lugar.

Creo que nosotros, también, podemos reflejarnos en la conversación de Abraham y en nuestra vida de oración. Yo a veces, me he encontrado pensando, como muchos de nosotros, ¿cómo es que si yo oro, pidiendo a Dios por cosas buenas, a menudo de resultan de forma diferente?

Me parece que nuestra oración es a menudo en esa manera, una negociación. Parece que hablamos con Dios bastante bien, pero no estamos listos para Su respuesta. Puede parecer injusto, incorrecto, podemos incluso enojarnos y en algunos aspectos nos hacen dudar de Dios. Y yo añadiría, ¿por qué no? A menudo en casos extremos y en

las más triste partes de nuestras vidas es que necesitamos a Dios y oramos. Si Dios no parecen responder a nosotros, tenemos el derecho de molestarnos o se sentirnos traicionados? Yo personalmente creo que podemos hacerlo y muy a menudo.

Probablemente, puede no ser un consuelo para cualquiera de nosotros, lo único que nos queda es nuestra esperanza y la confianza de que Dios está con nosotros. Si creemos en un Dios que se hizo uno como nosotros, y comparte en nuestras alegrías y sufrimientos, entonces yo espero que este Dios está en todos los aspectos de nuestras vidas y la vida de nuestra Iglesia. Ser pacientes y ver que Dios está allí nunca es fácil, tal vez sólo el tiempo puede curar estas heridas, pero quedando sin mucho más nuestras almas recuren a Dios en la oración y la confianza.

17TH SUNDAY IN ORDINARY TIME

As we move forward in becoming a more hospitable and welcoming parish, the Worship Commission along with Fr. Stephen has proposed changing our mass times. This change will provide 2 hours between each mass. It will allow liturgical ministers more time for set-up and tear down between masses, Fr. Stephen an opportunity to partake in hospitality and social interactions with all parishioners, and assist our parish in becoming a stronger community.

The Proposed Mass Time Changes are:

- A. 7am 9am 11am
- B. 7:30am 9:30am 11:30am
- C. 8am 10am 12pm

There will be ballots placed in the pews for the next 3 weekends. This is your opportunity to let us know your preference. Thank you for your input as well as your continued support for our great parish community.

Conforme avanzamos en convertirnos en una parroquia más hospitalaria y acogedora, la comisión de celebración junto con el Padre Stephen ha propuesto cambiar el horario de las misas. La propuesta dará 2 horas entre cada misa. Permitirá a los ministros de liturgia más tiempo entre las misas, y al Padre. Stephen mas oportunidad de participar en la hospitalidad e interacción social con todos los feligreses, y ayudara a nuestra parroquia en convertirse en una comunidad más fuerte.

Los cambios propuestos para las Misas son:

- A. 7 a.m. 9 a.m. 11 a.m.
- B. 7:30 a.m. 9:30 a.m. 11:30 am
- C. 8 a.m. 10 a.m. 12 p.m.

Tendremos boletas en las bancas los próximos tres fines de semana. Esta es tu oportunidad de hacernos saber tu preferencia. Gracias por su colaboración y su continuo apoyo en hacer nuestra parroquia gloriosa.

St. Joseph Catholic Academy is now enrolling students in Preschool through Grade 12!

At St. Joseph Catholic Academy, we are committed to fostering an inclusive academic and social environment where each student in our community is valued and feels a sense of belonging.

Your student will receive an educational experience that is rich in the arts, sciences, humanities and technology. We nurture critical thinking, intellectual curiosity, and encourage each child to utilize his or her creativity to succeed to his or her highest standards. Our students will celebrate their Catholic faith through worship, community outreach, and campus ministry.

We welcome you to visit our campuses. For more information on our preschool, elementary school, middle school, or high school, please contact Wanda Jaraczewski, Director of Admissions, at wjaraczewski@kenoshastjoseph.com or (262) 654-8651 ext. 104.

The Best Part of Confirmation Preparation is the Retreat — Why Not Get Involved?

Retreat group leaders: Confirmation programs for high school students include a Confirmation retreat. Here at St. Mark's we require our students to attend an overnight retreat their junior year. Adult chaperones and group leaders are needed to accompany the students on this retreat. Often the adults feel they have gained the most from the retreat experience. This past year five adults accompanied our youth on their overnight retreat to East Troy. Thank you, adult leaders!

Sing to the Lord

If you are in grades Kindergarten through 12 and you love to sing or play a musical instrument, join our St. Mark Youth Choir! We sing great upbeat progressive music. Our practices will begin again in August and will be held on Wednesday afternoons, 3 - 4 p.m. We love to sing, clap and dance! If you are interested in joining this fun group, please contact Audrey Rudd at (262) 653-8202 or email AUD_STMARKS@YAHOO.COM.

July Outreach

Our own children in need of school supplies. We have many children that are unable to supply themselves with even the basics for school this fall. We will have containers out to collect any items you can donate and also will take monetary donations as well, to purchase supplies. Thanks in advance for making it less stressful for these families this year.

Sharing the Gospel

When you search for something, God will help you find it. When you look for a birthday present for your cousin, God may help you pick a good one. If you lose your lunch money, God may help you find it. When you need a new friend, God may send one. Whatever you ask for, he will listen to you. God does this for you because he loves you very much.

Prayer

Lord, remind me to ask you for what I need.

Mission for the Week

I will help my family find items that they have lost.

"A successful marriage is one in which you fall in love many times, always with the same person" (D.W. McLaughlin). Don't look for love outside your marriage. As you change and grow, develop a new interest, hobby, or skill together to keep your relationship fresh.

"Un matrimonio exitoso es aquel en el que uno se enamora muchas veces, siempre con la misma persona" (DW McLaughlin). No buscar el amor fuera de su matrimonio. A medida que cambian y crecen, desarrollan un nuevo interés, afición, o habilidad en conjunto para mantener fresca la relación.

Parish Evangelization

"There are no strangers here... only friends we haven't met."

Lex orandi, lex credendi (Latin loosely translated: *as we pray so we believe, praying shapes believing*). There are countless ways to translate this ancient principle that governs what we believe, and what we believe affects how we pray. There is a circular relationship between what we believe and how we pray, and more often than not, how a community prays not only shows but also determines what that community believes and does.

In our Gospel today, Jesus taught his disciples to pray the "Our Father." As you listened to Luke's Gospel today, did you notice that the "Our Father" in Luke is slightly different from the version we pray (from Matthew's Gospel)? After teaching the prayer, we see Jesus teaching us to **pray for what we need**. If you go to your friend in the middle of the night for something and he is slow to get up to answer the door, if you persist, your friend will get up to give you what you need. In other words, keep praying to God for what you need, do not stop praying, and continue until your prayers are answered.

Why did Jesus say to keep on praying? Jesus knew that prayer was good for us. Since the apparition of Our Lady in Lourdes in 1858, the more than 1200 physical healings claimed to have occurred there have been said by doctors to be scientifically inexplicable. The Church has strict guidelines on accepting a healing as a miracle, and yet 54 of those healings have been accepted by the Church as miracles (according to René Latourelle *The Miracles of Jesus and the Theology of Miracles*, pp 313-4 © 1988). Sometimes when we pray for something our intentions are not always good. Sometimes our intentions in prayer are selfish and need to be purified and by praying for some request over a long time our intention is purified. Often you would hear sick people who went to Lourdes say that although they did not receive physical healing, they received the grace of acceptance.

There are occasions when there doesn't seem to be an answer to the prayer we are asking, at least for now. This becomes a real test of faith for each of us, and some people have crosses to carry, often silently and unknown, making them real heroes. Suffering is a mystery and we do not know all the answers, we only see bits and pieces of the answer in this life. But as Jesus said, *we keep praying, no matter what*. We must also pray for our happiness. For if we do not pray, we will not be happy because the deepest part of our being will be starving for God.

This whole concept between what we believe and what we do is central in our Sunday Mass. As *Gentle Evangelizers*, one of the purposes of the Sunday Eucharist is to equip those gathered for their ministries in the world throughout the week, with the emphasis on **participation**. We are active members in the Body of Christ, and it is in worshiping and praying together that we all perform the work called **liturgy** (the Greek origin for liturgy means work of the people). This week, as you go out into the world, **(+) take the time to pray together with someone for someone; (+) offer God a prayer of praise and gratitude for being our Father; (+) offer a prayer of apology to God for something you have done; and (+) offer to our Father a humble, trusting, and perhaps persistent prayer of petition**. "Ask, and it will be given you; seek, and you will find; knock and it will be opened to you..."

Safeguarding All of God's Family
