Prayer Shawl Ministry

During these hot August days when you are sitting in your air conditioned home, please keep those knitting needles and crochet hooks busy.... we continue to need more prayer shawls. We have given out 38 since starting in the spring! Ten wonderful women of our parish have completed shawls. Many more have donated yarn, bags and cards. Those interested in learning to knit or crochet please contact Janet Breitenbach at 697-1853

Fellow Parishioners!! Well the weekend is finally here!! Yeah!! Please remember to come on out to support our parish at the festival this weekend. If you can volunteer some time to help or are just wanting some really yummy food, the parking lot is the place for you to be!! Please bring your extra raffle tickets if you haven't sold them so we can try to sell them at the festival for you. Just turn them into Tina Burke or Kris Meeker and we will take care of them for you. Please try to sell them if you can though! Bring a friend and come on out and have a good time! Thanks! Hope to see you!

¡Compañeros feligreses! ¡Bueno el fin de semana por fin está aquí! ¡Bravo! Por favor, recuerde que vamos a apoyar a nuestra parroquia en el festival de este fin de semana. Do You Have Creative Ideas for Community Building or Fundraising? Become a REP Board Member!

St. Mark Religious Education Parent Association (REP) was founded many years ago to assist the religious education program of our parish. This group is led by a board of very dedicated parents who raise funds to support specific programs and provide equipment needs. They also provide community - building experiences for the families, support the volunteer catechists, and reach out to the wider parish community. The organization is always seeking out new workers to be on its board. Special thanks to our REP board!!

New Catholic Montessori School - NOW ENROLLING

From the moment you walk through the door, you will find that the St. Joseph Catholic Academy Montessori School is just the place you desire for your child. Sharing the Gospel

Farmer Brown gave bushels of green beans to the homeless shelter. When he died, God said, "I remember you. You gave me green beans when I was hungry. Come on in." Farmer Smith never shared any green beans with the hungry. When he died God said, "I do not know you. You never shared." God wanted Farmer Smith to learn to share so that God would know him at heaven's gate.

Prayer

Give me the will to share what I have with others.

www.ForYourMarriage.org

Dear Brothers and Sisters in Christ,

I hope you are having a good summer; I certainly am. I'm enjoying my first summer in Milwaukee by getting to know all of you at Masses, parish celebrations and ethnic festivals. It's a great time of year for spending time with friends old and new, for rejuvenation and for taking vacations from work and school.

Although classes are out for a few months, our children's education is a subject we think about year round. Few decisions are more important than where to send your children to school. The education they receive has a lasting and profound impact on their entire lives.

If you haven't decided where your children will be attending school this fall, I **encourage you to consider Catholic education**. I know you want to give your child the benefit of an excellent academic education. You also want your child to learn and live the values that will guide them throughout their lives. That kind of education is found in Catholic schools.

Students in Catholic schools benefit from superior academics. Our average Catholic grade school student performs better on the Iowa Test of Basic Skills than 70% of students who took the test nationally, and maintains that performance over five years across all subject areas. Our high school students achieved an average composite ACT score of 23.6 last year – higher than the Wisconsin state average of 22.3 and the national average of 21.1.

Additionally, in Catholic schools children learn from the greatest teacher of all time, Jesus Christ. His lessons and his life form the foundation of education which is integrated in the classroom, on the playground, at Mass and during extracurricular activities. Students not only learn the faith – they live it!

Exceptional academics. Solid religious instruction. That unique blend of education and faith in a safe, values-based environment prepares your children for future success, and helps them lead a Christ-centered life.

It's not too late to enroll your children in one of our 125 Catholic schools. Find a school near you at schools.archmil.org. I encourage you to take a tour and talk to parents of current students. I know you will agree that Catholic schools provide an education we can all have faith in.

Sincerely yours in Christ,

Most Reverend Jerome E. Listecky
Archbishop of Milwaukee

Lights, Camera ... Faith!

Our reading from Ecclesiastes, talks about vanity. The word "vanity" (Hebrew, hebel) describes something that is not substantial and lasting, but short-lived and passing (like fog that evaporates quickly as the sun rises) and which we have no control over. Our movie this month, Meet Joe Black, starring Brad Pitt and Anthony Hopkins, echoes this theme of storing up things for no purpose when compared with eternity. Because this is a rather long epic movie, there will be a short intermission with light refreshments served (think Ten Commandments starring Charlton Heston). Rated PG-13, © 1998, the film is 181 min. Join us in the Strenski Center on **First Friday, August 6th; at 6:30 pm** as together we learn if humanity will ever learn the lessons of the scriptures. This is a movie you will long remember!
