### Frassati's First Graduating Class

We happily congratulate the first graduating class of Frassati Catholic Academy.

The graduation will take place on June 3, 2011 at the Chapel of the Immaculate Conception on the Mundelein Seminary campus. Bishop George Rassas will preside.

This is a significant moment in our Catholic history in Lake County. Frassati Catholic Academy was created through the efforts of three parishes: Santa Maria del Popolo, Transfiguration, and St. Mary of the Annunciation as the first Catholic Middle School of the Archdiocese of Chicago. Dr. Diane Vida is the academy's Principal and Fr. Ron Lewinski serves as President. The graduation ceremony on June 3<sup>rd</sup> is a testimony to the growing value of and desire for Catholic Education and the vision and hard work of many.

We congratulate our graduates.

## THE RIGHT CONNECTION

In the days when most people could not read or write, storytellers kept the community connected with tales that were entertaining, thought provoking, and informative. Nowadays public storytelling is almost a forgotten art. Instead, we are snowed under with information, news, and commentary by everybody about everything around the clock. Against this background, many of us must “multitask” in an attempt to be more productive and efficient. We try to get as many things done at one time as we possibly can in order to make a little free time for ourselves. Every parent knows how to multitask! But with the rise of the Internet, blogs, texting, and Twittering, something new is emerging, which has been called “continuous partial attention”: paying partial attention—continuously—scanning for the best opportunities, activities, and contacts at any given moment. In general, multitasking allows us to stay in face-to-face connection with people, but continuous partial attention can isolate us in our own little bubble, simply watching a screen, often with negative consequences. The average American

watches more than four hours of TV each day. In a sixty-five-year life, that person will have spent nine years glued to the tube and seen two million commercials, with over 53 percent of viewing time focused on crime, disaster, and war. We know that Internet use is growing rapidly, and recent studies show that texting while driving makes people eight times more likely to suffer a serious car accident. Saint Peter, in today’s second reading, says, “Sanctify Christ as Lord in your hearts” (Peter 3:15). This is a clear indication of what should be the single most important thing in our lives, from which everything else flows—how we prioritize our daily life, how we spend our time, our relationships with other people, how we use our abilities, and how we use our resources. Make the connection to a Christ-centered life and live!

### Teen Liturgical Training

**Tuesday, June 14<sup>th</sup> from 1-4 PM**

This formation day is open to high school teens who have received the sacrament of Confirmation. The training begins with a general overview of the Theology of Ministry, followed by separate training sessions for Lectors and Eucharistic Ministers.

Teens will have to follow up this vicariate training with training at our parish with our Lector Coordinator, Kathy Lenzen or our Eucharistic Ministry Coordinator, Connie Schofield. This is a great opportunity to become more involved in our weekend liturgies! This training session is at St. Emily’s Parish in Mount Prospect, and you will have to drive yourself there. Questions: E-mail Greg Entwistle at [GEntwhistle@stmota.org](mailto:GEntwhistle@stmota.org).

### HIGH SCHOOL TEEN CONFIRMATION

Please pray for three of our high school teens who received the outpouring of the Holy Spirit on Wednesday May 25<sup>th</sup> at St. Paul the Apostle Church in Gurnee.

## Park & Pray Car Wash Coming June 4-5!

Our teen summer mission experience is right around the corner! We have 31 teens and 5 adults going to Twin Cities, Minnesota for a week of service with Catholic HEART Workcamp. The cost of our mission experience is \$17,295 or \$480 per person. Our fundraising goal is \$7,000, which would lower the average cost to \$325 per teen. Thanks to your generosity at our Easter Egg hunt and Wendy's fundraisers, we have now raised **\$1,230!** Please add these dates to your calendar and help support our teens on mission this summer! Check back each week to see our progress painting the house below as we move closer to our goal of \$7,000.

## Park & Pray Weekend Car Wash June 4-5

Our youth ministry will be out in the west parking lot at all 4 of the masses on this car wash weekend. If you would like your car washed simply park in the west lot, go into mass, and by the time mass is over your car is clean! We accept free-will donations.

## Wendy's Nights Tuesday June 7 & July 12

We get 15% of all sales (including drive-thru) between 5:00-8:00 PM at the Mundelein Wendy's on Route 176 (by Dominick's). Invite your family, friends, classmates, and neighbors.

Doris, a survivor of Domestic violence, has been connected with the Give Back a Smile program and received free dental care. Marta has been supported in her search for legal assistance. These are only a few of the ways we have accompanied clients. Thanks for accompanying us in the ministry of accompaniment.

May the Risen Christ grace you with new life this Easter season.

## SVDP Marks Successful 2011 Easter Food Drive

### THANKS to the ST. MARY OF THE ANNUNCIATION COMMUNITY and the KNIGHTS OF COLUMBUS

Phone: 224-522-8863

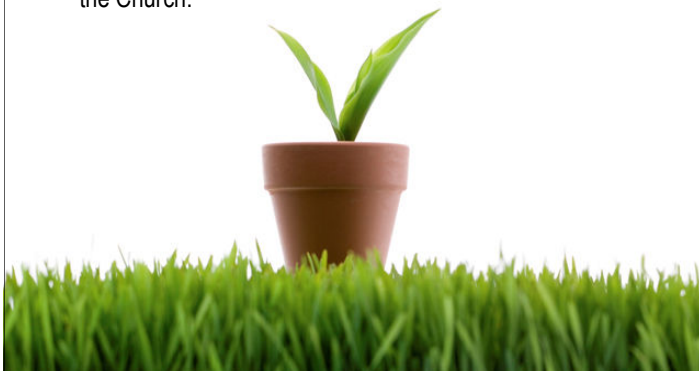

St. Vincent de Paul

Here is a **big THANK YOU** for all who participated in the Easter food drive that occurred in April. St Vincent de Paul (SVDP) used the food, supplies and monies collected to provide food baskets for 14 area families in need and passed on items to our sharing parish, Holy Family for their food pantry. Bless you for spreading the Easter spirit. Our thanks are also extended to the Knights of Columbus for their continued support by supplying nine of the baskets for SVDP clients.

If you know of someone in need of assistance, please give them our phone number and ask them to leave a message. A SVDP representative will return the call within a day. Client service activities are always strictly confidential.

#### Every Day Evangelizing

- Say "I will pry for you" to a friend who has shared some personal concern or difficulty.
- Respond, "Thank God" when someone shares a success story with you.
- Make the sign of the cross as you pray before a meal in a restaurant.
- Invite someone who has been away from the Church for a while to attend Mass with you.
- Offer to help your neighbor even when it's not convenient.
- Take time for those who are suffering or in need. Remember, people are more important than tasks.
- When you see God working in your life, point it out to others. We are all enriched by the personal witness of others.
- Talk to friends about the good experiences you've had with the Church.

## After-School Programs Enrich Life at St. Mary School

St. Mary School students recently performed a **Spring Concert** of contemporary, uplifting Christian music. Students raised their voices to the tunes of Michael W. Smith, Chris Tomlin, Travis Cottrell and other popular contemporary Christian artists. The lyrics of the concert inspire the students in their daily lives to "Shout to the Lord", sing "Hosanna", "Come, Now is the Time to Worship" and "Go Make a Difference".

The concert included dance by Morgan Smola and Caitlin Teehan, sign language interpretation by fifth grader Bailey Nitch, and soloist singers: Anna Burkhalter, Natalie Williams, Caitlin Casper, Dominic Cappuccilli, Olivia Coutre, Riley Harmon and Isabella Anichini. Talented student musicians accompanied the soloists and student choir: Bailey Nitch and Dominic Cappuccilli on piano, Danielle Cushing and Kennedy Gawin on drums, and Patrick McInerney on electric guitar.

St. Mary School **guitar club**, led by music teacher Mr. Jose Velez-Florez, and its ensemble of young guitarists, also performed during the concert. During weekly guitar club meetings throughout the year, beginning guitarists learned the basics of strumming and accompanying. Guitarists were Marc Corpuz, Brendan Collins and Aidan Devlin.

In addition, the school's **beginning and intermediate bands** performed "Let's Go Band" conducted by Band Director Mr. Rob Slater. Mr. Slater presented medals to band students who competed in a solo festival held in early March at Santa Maria del Poppolo. Band students recognized with medals for their outstanding achievements were: Ryan Bobber, Kyle Falkstrom, Ben Roberts, Mary Margaret Galuska, Jack Teehan and Danielle Cushing.

When St. Mary students are not raising their voices in song, many are also stretching their minds in an after school **Chess Club**. All students, kindergarten through fifth grade were eligible to participate and were grouped by age for instruction and games. At the end of each session, a chess tournament was held. The spring chess club champions of the 3<sup>rd</sup>-5<sup>th</sup> grade bracket were: 1<sup>st</sup> place, Dominic Cappuccilli, 2<sup>nd</sup> place, Danny Fiske; and 3<sup>rd</sup> Place, Kennedy Gawin. Winners of the K-2<sup>nd</sup> grade bracket were: 1<sup>st</sup> place, Timmy McInerney; 2<sup>nd</sup> Place, Darren Gorman; 3<sup>rd</sup> Place, Tina Joe.

Another note-worthy after school activity is a **service project for PADS**. A group of students and their parents volunteer to set up the mats and make the beds for the homeless guests who sleep in the basement of the little church on Wednesday nights from October through April. The weekly activity provides children a hand-on service opportunity to help the homeless. Even the youngest children can work together to carry the bedding, count the needed linens and ensure that every mat has a blanket and pillow. Through this volunteer effort, the children learn to care for the homeless and gain an appreciation for the warm shelter of their own homes.

## SPRED

### Parishes Working Together to Welcome & Include Persons with Special Needs

SPRED is a collaborative effort among the parishes in a local area. We all share a common vision – to welcome children, teens, and adults with special needs into the worshipping and sacramental life of our parish communities. To assure that these experiences are meaningful and enriching to the faith of our friends with developmental disabilities, SPRED offers catechesis specifically tailored to their needs. Through shared friendship and reflection on life rooted in scripture and prayer, these small communities grow together in faith as they deepen their awareness of God and their personal relationship with Jesus. Where friends gather together in love – the presence of Jesus is discovered, welcomed and embraced.

This opportunity is available at St. Joseph Parish to teens that are age 11-16 years old. Persons outside of this age range are welcomed in SPRED groups within neighboring parishes. There is no need for past experience with persons with disabilities or any special background or education. All training is provided by the SPRED agency for the comfort of our volunteers and to insure the quality of our program. Please – consider contacting us for a simple conversation to learn more about this very rewarding ministry. **Parents of children with disabilities of any age are especially encouraged to learn more about volunteering for SPRED.** Parents please be sure that your son or daughter's name is on the waiting list for a SPRED community. We do not want to leave anyone out.

**Featured CD for May  
Our Lives Change  
When Our Habits Change  
by Matthew Kelly**

Matthew Kelly has inspired millions with the message that there is genius in Catholicism, but if the Church is to avoid falling into obscurity, individual Catholics must demonstrate its relevance through a dedication to becoming the best-version-of-themselves. Matthew gives practical guidance in two dynamic talks on ways that we can change our habits to change our lives... and awaken the sleeping giant that is the Church. One of several wonderful CDs offered by this engaging and gifted speaker.

*Please remember a \$3 donation per CD is suggested to allow the parish to continue the program and offer new material.*
