St. Matthew Lutheran School - 2017-2018 Lutheran Commitment Form

Because of a genuine interest in the Christian education provided by St. Matthew Lutheran Ministries through St. Matthew Lutheran School, we have enrolled our child(ren).

I understand that a complete program of Christian education includes cooperative efforts of home, school, and church. Parents, Teachers, Principal, and Pastors need to work together in the training of our children in the Christian faith and life. Our goals are met only as we affirm and build upon one another’s efforts. In order to show support for the total program of Christian education, I promise, with God’s help, to keep the following commitments:

Members:

1. As a student and parent, we will regularly attend worship services. We will also endeavor to attend Sunday School and Bible classes.
2. I will strive to return to the Lord, through the church, a Biblical portion of my time, talents and treasures.
3. I will endeavor to lead a Christian live and provide Christian training in my home.

All School Families:

4. I will support the policies of St. Matthew Lutheran Ministries Board of Christian Education, including the discipline system as written in the handbook.
5. I understand that it is necessary for all families to donate time and service so that effective and quality education can continue. I commit our family to helping out as needed.
6. We support the teachers and administration of St. Matthew Lutheran School and understand if we do have a problem, Matthew 18 (see handbook) is the proper Christian response.
