DID YOU KNOW

Bullying and back to school.

Unfortunately, conflict and even bullying seem to be a widespread experience in our schools. Children may fall victim to, or perpetuate, intimidation and teasing, sometimes with lasting consequences to themselves and/or others. As children head back to school, it is important to talk to them about how they treat others and how to handle conflict or bullying in their classrooms and on the playgrounds. Get involved in your child's school and ask about plans or programs for bullying prevention.

To request a copy of the VIRTUS® article "Understanding School Violence, Part 2" email jvienna@la-archdiocese.org or call (213) 637-7227.

*Parents: for your
children's safety, please
accompany them to the
restrooms during Mass.*
