Philosophy

The Preschool at St. Maximilian Kolbe will respect the diverse religious and cultural background of all people and welcome them into a loving and caring environment. An emphasis on physical, social, emotional, intellectual, and spiritual growth through various developmentally appropriate play activities will be achieved in a Catholic Christian environment. It is our goal to guide each child in the growth and development of his/her total personality, emphasizing a good, positive self-image.

Classes Offered

The classes offered at Kolbe's Korner Preschool are an enrichment for 3, 4 and 5 year-old children. The program includes experiences in art materials, music, drama, literature, science, social, math and motor development.

Classes are available from September through mid-June, following the Los Angeles Archdiocese Legal Holiday schedule, and are structured partly as an open classroom and partly as a teacher-directed classroom in order to provide a balance of experiences for each child.
