

THE HOSPITALITY TEAM WANTS YOU!

Q: Who provides the delicious refreshments at various parish activities such as the parish mission or University classes?

A: The Hospitality Team, part of a very small, dedicated group of people who, until now, have done it repeatedly, without fanfare, and generously.

Q: Why are you asking me now?

A: We need more help and we know many of our parishioners would be happy to provide cookies, cakes, fruit or vegetable platters, cheese & crackers, other snacks and drinks for these events if only they were asked.

Q: Is this going to be a big commitment?

A: You will not be asked more than twice a year and you will be given enough notice. If you can't do it when you're called, we will call you another time.

- ❖ You won't even need to attend the event - contributions may be left at the parish office.

- ❖ It doesn't need to be homemade - we are happy with wonderful store bought items.
