Volume 15, Issue 7

There is a strength to be gained

Have you ever had a Bible verse jump off the page at you, grip your heart and then infuse you with hope?!? It has happened to me before. It is these times, when I realize the truth of the verse that say." The Bible is LIVING and ACTIVE sharper than any two edge sword able to pierce through soul and spirit"! I know that I need to keep the Word of God in my DAILY life in order to give God the opportunity to infuse me with that hope and pierce through my soul and spirit. But even though I know it is what I should do, there are times when I do not do it. And after a couple of days I feel the consequences of it in my emotions and my life perspective. Both become sour and negative. This makes the enemy of my soul happy.

In the new testament Paul said, The things I want to do, I do not do and the things I do, I do not want to do... That is one verse I wish I could not relate to but I think we all can relate to it, and we need to be intentional and purposeful about not allowing God to slip away from our daily lives. Especially in the Summer when the schedules are so random and so much competes for our time. The enemy is sneaking and deceptive. Even Christians can be lulled into complacency without every realizing it. OR thinking it is ok and nothing "bad" will happen. We know that the truth is we live in a difficult world and difficult/bad things happen all the time when you least expect it. When you add to that a poor decision based on a wrong attitude (because you haven't been connected with God lately) a life storm can really beat you up. Then you call out to God and grab your Bible looking for hope. God is SO good to us He meets us in our desperation.

My point is.....why not stay connected to God (through church attendance EVERY week, daily time in God's presence with a good devotional or Christian book and regular prayer that reminds you of God's presence in our lives) even when life is boring. SO later when the storms of life hit us....we are grounded, anchored, and strong in the Holy Spirit to face the storm and help others stand strong in it as well. There is a strength we draw from being around other Christians at church. There is a strength that God grants when we dig into his Love Letter to us (the Bible) and fill our hearts with its message instead of the messages that come from this world. And there is a great strength to be gained from meeting with your heavenly Father in conversation (prayer) every day!

This is my goal this summer. I especially want to encourage Parents to lead your children intentionally in their spiritual growth. Bring them to church and read Bible stories with them at home and talk about it.

We can have a victorious summer connected to God, as our church mission statement reminds us, if we be intentional about it. GOD bless you in your journey to know God better!

BIBLE STUDIES

Wednesday Evening Bible Study

The Wednesday evening Bible study with Pr. Dave will begin again on Wednesday, September 23 at 7:00 PM in the Chapel. We're starting the year off with something a little different this time. We will begin the new year by splitting up into two groups—men and women. Each group will have their own 6-week Bible study and at the end of that time we will come together and compare notes on what we've learned in each study.

Women's Study ~ *Fight Back With Joy - Celebrate More, Regret Less, Stare Down Your Greatest Fears* by Margaret Feinberg

Learn to practice joy, defiant joy. Sooner or later, we find ourselves on the battlefield of life and struggle to know how to respond. But God says, "Do not be afraid or discouraged because of this vast army. For the battle is not yours, but God's" (2 Chronicles 20:15). On that fateful day, King Jehoshaphat and his army marched forward rejoicing. Though we can choose from many weapons, God wants to empower us to fight back with joy. Discover that joy is more than whimsy but a weapon we can use to fight life's greatest battles. Lay hold of joy and live the life you've always wanted. This is a 6-week, DVD study.

Led by Bev Read. Sign up on the Pastor's Board.

Men's Study ~ *Quiet Strength* by Tony Dungy

Discover God's Game Plan for a Winning Life. Join us on this 6-week journey to becoming a genuine man of God. Discover how to move past posturing and uncertainty. Connect with others in more authentic ways and find your answers to the six questions that men often deal with:

- What is your game plan?
- What is strength?
- What is success?
- What is Your security?
- What is your significance?
- What is your legacy?

Led by Pr. Dave. Sign up on the Pastor's Board.

3 Tips for Millennial Meetings

Written by: Austin Maxheimer

Every generation creates a new set of prime values to uphold and live out. The Millennial generation (born 1980-2000) is now coming to adulthood and leadership. Here are three brief observations about working and meeting with Millennials:

- 1. Don't waste their time.** Millennials value action, productivity, and efficiency above all else. With instant information and communication, the world's problems are always in their faces. They perceive "too much to do and too little time." Make sure you have a clear plan of action for every meeting.
- 2. Embrace flexibility.** Google Docs, Skype, the GroupMe app, Facetime, GoToMeeting...all these help to decentralize workplaces and meeting environments. They allow for mobile presence. They have, of course, some inherent dangers, but it's fruitless to fight the inevitable. Utilize mobile meetings.
- 3. Always answer the "why."** Millennials want to belong to something bigger than themselves, to be part of a movement. Tap into that desire, and they will give their lives for the cause. You will need to make an extra effort to communicate why you are doing something, always pointing back to the foundational example of Jesus.

BIBLE STUDIES

Bible Studies

Summer Bible Study

A new bible study is underway at 7 PM in the Chapel on Wednesdays. The study focuses on Jesus calling and training the disciples to walk in His footsteps when establishing the Early Church. Each session will feature a video message from gifted bible teacher and Historian Ray VanderLaan followed by open discussion. See the Bible come alive in unique faith lessons highlighting the historical, geographical, and cultural content of God's Word. If you regularly participate in bible studies — don't take the summer off. If you have been unable to find time during the school year perhaps summer provides a unique opportunity. Call Greg Anderson 734-453-0861 for additional information.

Crossways: The Divine Drama

32 people completed the first Crossways: Divine Drama Bible study on May 14 and we are planning to offer this survey, in-depth study of the Biblical story line and its applications to our lives again this coming fall.

Crossways will be offered again on Thursday evenings from 7 to 8:30 p.m. beginning on September 10 and running 28 weeks, breaking for holidays, other times and ending in mid-May. Pastor Tim will be leading this study in the Portable. Some advanced preparation is encouraged but one can simply come to class each week for the presentation and discussions. There is a very user-friendly textbook with excellent graphics and accompanying workbooks.

This class is ideal and worked well this past year for people who were beginners to Bible study to those who have taken many classes including other in-depth studies like Bethel and to those somewhere in between. If you have always wanted to take a longer Bible study course and/or have never studied the Biblical

narrative from beginning to end, this is a great option for you. If you have taken Bethel, Crossways is a very different. It builds nicely upon Bethel. There is strong emphasis in all lessons on practical life applications as well. Regardless of your experience in Bible study or where you presently are at with your walk with the Lord, you will be able to grow and feed upon God's Word at your own pace and level by the power of the Holy Spirit.

A sign-up sheet is on the Pastor's Board. Advanced registration is required. The cost of materials is \$35. Couples may share materials. Cash or checks payable to St. Michael Lutheran Church are acceptable and payment can be submitted to the office or Pastor Tim. This class is open to non-members as well. Child-care will be available. If you have any questions or would like to sign up via email, please contact Pastor Tim at church or timewell@connectingwithGod.org. Thanks!

CORNER OF GRATITUDE & THANKSGIVING

The Hakala family would like to extend our heartfelt thanks to our Christian family for your many expressions of sympathy on the recent loss of my dad. The prayers, cards, donations, kind words of caring and the many hugs helped us feel the presence and peace of God all around us. May God continue to shine His light through you!

With sincere gratitude,
Pam, Paul and Kylie Hakala

We wish to thank everyone at St. Michael Church for their prayers and continued support during this past 8 months of Michael's brain illness and surgery.

Pastors Dave, Tim, and Joe for their ongoing prayers and visitations to hospitals and rehabs. The Men's Wednesday and Friday Bible study groups for their fellowship.

We thank God everyday that we belong to this Christian faith filled family.

Michael & Kathleen Naimola

To all my St. Michael's family and friends. Thank you so much for all of your prayers and thoughts at this time in my life. It is so very much appreciated.

With the help of God and the prayers of all my friends and family at St. Michael's all things are possible.

Thank you from the bottom of my heart.

Linda Lynch

John 13:34-35 ~ A new command I give you: love one another. As I have loved you, so you must love one another. By this everyone will know you are my disciples, if you love one another.

Recently our son, Douglas, broke his ankle playing on our trampoline. His injury required two pins to be inserted to help his bones to heal properly. The outpouring of love, well-wishes, and prayer we received from the family of God here at St. Michael was incredible! Thanks be to God and to everyone lifting us up in prayer, the procedure was a complete success and Doug is healing well.

A special thanks to Pr. Tim who visited with us and prayed with us. As well as the women's ministry who made him a beautiful prayer shawl he kept with him the entire time. Also Becky Anderson and Erica Snyder who brought Doug's favorite foods. The O'Hagans who loaned us a knee-roller. And finally Jerit Giebenrath who brought his puppy over to cheer up Doug. We feel incredibly blessed to be a part of this congregation.

Thank you and God bless you,
The Skaff family

MISSIONS & OUTREACH

DME Update

Thanks to all who continue to contribute equipment to this ministry. Recently the very first recipient of our loan closet called with a donation of briefs. As many know, briefs are usually an out-of-pocket expense and can become very costly over time. If anyone you know uses briefs and is in need, please be aware that we now have a supply.

Thanks also to recent bariatric equipment received.

One donator had a much-in-demand transport wheelchair and in passing mentioned she had this bucket and lid which she was going to put into the rummage sale. What she had is part of a bedside commode and without the bucket, the bedside component is negated. We had one commode donated without the bucket, so now that unit is complete.

Another example of God working here.

Mission Partner Visit

Please join us on Tuesday, July 14 at 7 PM in the Sarah Room for a special presentation by Phil Tappert. Phil is an American Pastor who has been serving the Lord for many years as a Missionary in France. In spite of it's many beautiful cathedrals and Christian heritage, France is a leader in secular humanism with laws actually restricting evangelical activity and has one of the lowest weekly church attendance rates in the developed world. Phil is located near a huge University providing Christian outreach and support to students from around the world. Over the years Phil has led young people from a 100 plus different nations to Jesus. As future leaders these young professionals are in excellent position to spread the Gospel within their home countries. On the July 14th Phil will provide an update on his ministry and share stories and testimonies from students he has ministered to this past year. Mark your calendars... You will be blessed.

If you have any questions about this special event or Mission and Outreach in general please contact anyone on the Board: Alan Deal, Kevin Manor, Shanon Manor, Judy Cannizarro, Rick Sisler, Mark Peoples, Kevin Rennells, Drex Morton, Ivan Waterbury, Andrea Anderson, and Greg Anderson.

Adult Servant Project/ Work Bee

On Wednesday July 15, a group of St. Michael brothers and sisters will be working with Lutheran Social Services (LSSM) on a major remodeling of their "Wayne County Family Center" located on Michigan Avenue in Westland. The Family Center is Michigan's largest shelter for homeless families (families with children) and one of the few that keeps families together for extended periods. The Center can house up to 100 residents in 25 sleeping rooms. This is a huge project that will involve many congregations and groups. Our team will work on general cleanup, painting projects, or depending on skills other minor construction projects. Our group will meet at church at 8:30 AM to car pool/caravan to the Family Center for Opening Devotions at 9 AM and as able work until closing devotions at 4 PM. (Lunch will be provided). Please prayerfully consider adding your name to the sign-up sheet located on the Pastor's Board. Please contact Greg Anderson at 734-968-4463 with any questions.

"The Lord stirred up the spirit of all the people; and they came and worked on the house..."
Haggai 1:14

Glasses for MOST

We continue to collect used eyeglasses for MOST (Mission Opportunities Short Term) Ministries. MOST examines, categorizes and fixes each pair of eyeglasses received that then travel to Central & South Americas with the missionaries who distribute these eyeglasses to the needy. Our donations help the missionaries spread the word of God. Thanks to all who have contributed. The donation box is in the Narthex.

Helping Hands Needed for Worship in the Park

We all look forward to the Worship in the Park experience again this summer. We will be blessed with seven Sunday worship opportunities in this beautiful setting, July 12- August 23. To logistically make this all happen, we are in need of individuals who can help with the set-up and with the tear down at the park as well and/or with the loading and unloading of equipment and platforms before and after back at the church. If you are interested in helping out, please contact Dave Collins or Pr. Tim.

Sign-ups sheets are available as well in the narthex. One does not have to commit to all seven Sundays. We are prayerfully seeking and needing help any of the Sundays and in whatever capacity you feel moved to volunteer for to help make this unique and special worship experience possible. Thank you for your prayerful consideration and many hands help to make the load lighter!
