The strength of Catholic education centers on the partnership forged among the school, teachers, students, parents and community. The stewardship program at St. Michael Parish and School is a formal way to encourage and recognize the gifts of Time and Talent given by our families in this partnership. These gifts build our community in significant ways. In the spirit of cooperation and collaboration, families are expected to provide at least **15 hours** of service (**7.5 to school and 7.5 to church**) during the course of the school year. Those who do not meet this 30 hour commitment will be assessed a fee of **\$15.00** per hour up to **\$225.00**. *(Note: Before volunteering, completion of the Archdiocese of Seattle Safe Environment "Protecting God's Children" class and a background check must be verified with the parish office.)*

- 1. CHURCH:** One half (15 hours) of volunteer hours must be earned through parish time and talent opportunities. The Steward for Time, Talent & Treasure and/or committee members will make every attempt to contact those families who have indicated an interest in their areas.
