Get Connected with Home Connect!

A Great Accelerated Reader Resource for Students and Parents

What can we do with Home Connect?

- Create (and print) book lists customized by AR level, book genres, and age level
- Search for books by title, subject, or favorite author
- Check to see if an AR test has been created yet for a new release book
- View your student's complete AR testing record (click on "view my bookshelf")
- Receive immediate e-mail notification when your student takes an AR test including results (click on "e-mail set-up")

Did you know...

- Our students have access to over 150,000 AR tests.
- Books can be read from the public library, our school library, the bookstore, or your own bookshelves, which means a great selection. Just be sure to check that there is an AR test for the book you choose.
- Parents who are actively using Home Connect report that is terrific and easy to use!

How do I access Home Connect?

- The web site is:
