# *Saint Michael - A Remarkable Tradition*

## S.M.A.R.T.

In August of 1881, Sister Benedict Joseph Superior, Sister Mary Gabriel, and Sister Providence of the Sacred Heart, transformed a small building in Olympia into a makeshift Catholic school and convent. The building, called Providence St. Amable, opened its doors on September 18th, with 35 girls enrolled. Within a few years the sisters had raised enough money to purchase land on which to build a permanent school. Mother Joseph of the Sacred Heart planned and supervised construction of the new Providence St. Amable Academy, a two-story building located in downtown Olympia on what is now Capitol Way.

The Academy opened on February 13, 1884. There were few amenities and no luxuries, but the building had larger classrooms and for the first time, space for a chapel. In 1889, a fourth sister joined the facility and boys were admitted for the first time. The sisters, who wanted the poor to be able to attend their school, kept tuition as low as possible, \$1 per month for primary grades and \$2 per month for high school.

In 1906, when Providence St. Amable Academy celebrated its 25th anniversary, the school had 103 pupils, 25 boarders, and a faculty of 7 sisters. Over time, the school became known simply as Providence Academy. During the 1912-13 school year the sisters were joined by the school's first lay teachers. In 1914 the Academy built a new annex containing an auditorium, library, science laboratory, and separate dormitory for the sisters. Never a prosperous establishment, the school fell into debt until 1926 when St. Michael Parish purchased it for \$11,000. Parish administration discontinued the high school and student boarding, and the Providence Academy officially became St. Michael School.

The building, which had deteriorated during the Depression, was damaged by a fire in 1939. Planning for a new school began in January of 1949 with construction costs estimated at \$300,000. Four months later, an earthquake brought down the facades of many downtown buildings. While the school survived the quake, inspections later revealed considerable structural damage and the 2nd and 3rd floors were condemned. Construction of the new school was delayed as parishioners worked to make needed repairs.

In March 1950, Father Michael O'Dwyer, representing Archbishop Connolly, broke ground for the new St. Michael School and Convent at the current location on 10th Street. Classes in the original building on Capitol Way ended in June of 1957. That summer, supplies were transferred, desks were refinished, and the sister moved into their new convent. The new St. Michael School opened just in time to accommodate the children of the post-war "baby boom" with 343 students enrolled for Fall.

St. Michael School was built a legacy of Catholic education that is rich in tradition and dedicated to Catholic principles. We are grateful to all who have supported our school since its humble beginnings. Many thanks to our dedicated staff, parents, friends, and alumni for helping us move confidently into the future.

Dear friends of St. Michael Parish School,

What a great joy it is for me to welcome back those of you who have participated in this wonderful S.M.A.R.T. Gala event before and to those of you who are new for the first time, "Bienvenido!"

For over 25 years we've had this grand tradition of gathering together to celebrate the gift of Saint Michael Catholic School. This event assists us in planning for the future and also meeting present needs. 50% of the profits will go toward our school endowment which assists us in being able to provide tuition assistance for students now and for the future. The other 50% goes toward continued capital needs so as to keep our school building as attractive and updated as possible.

Each year we identify a specific "fund a need" where individuals can make a direct gift for a specific need. We hope that you will be generous in your giving knowing that it will benefit not only your children, but those in the future who will have the opportunity to attend Saint Michael Catholic School.

This year's theme is especially fun. Because it falls on May 5th, a nice twist on the normal Cinco de Mayo theme will enable us to celebrate with some "Latin" enthusiasm and excitement. I hope that many of you came dressed according to the theme and brought your maracas as well.

Know that it is with great thanksgiving and gratitude that I pray for each and every one of you this night. May you know the true peace and joy that comes from the risen Lord Jesus.

Sincerely in the risen Christ,

Fr. James E. Lee  
Pastor

DEAR FRIENDS AND FAMILIES OF ST. MICHAEL PARISH SCHOOL,

Welcome to the 2018 St. Michael Parish School S.M.A.R.T. Gala: "Cinco on the Sand"! Over the past 29 years, your support of the S.M.A.R.T. Auction has enabled the continual growth of St. Michael Parish School. Thank you for the blessing of your presence this evening as we celebrate our remarkable tradition of Catholic education.

Since 1881, our school has served families in Olympia and Thurston County by providing excellent, Catholic faith-based education to their children. Our school's mission is built upon a shared commitment to the spiritual, intellectual, physical, social, emotional, and aesthetic growth for all of our students. Our entire faculty and staff are committed to partnering with our families to ensure that we are continually living this mission. Your dedicated stewardship through the sharing of your time, talent, and treasure ensures a bright future for each of our students.

Each year, half of our auction proceeds fund our Capital Improvements Fund and the other half builds our Endowment Fund. Through your generosity, our auction has funded such exciting projects as our playground, smart boards, public address system, security doors, covered play area, the drainage system for our play field, and the incoming gym bleachers. Additionally, generations of students have been able to attend our school through tuition assistance generated by the auction. Your participation tonight has a direct and profound impact on the lives of our students, enhancing their school experiences and allowing us to provide the best Catholic education possible. Whether you are new to the auction or have been with us for many years, your support is deeply honored and recognized.

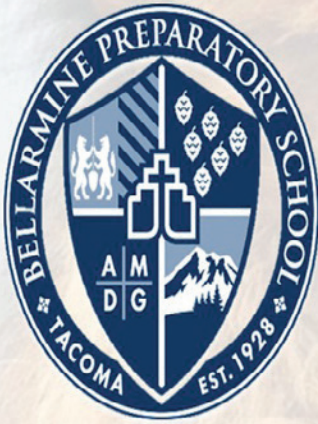

I would like to thank our S.M.A.R.T. auction chairs, Vicky and Greg Byrd, and co-chairs, Sandra and Brent Quebedeaux. Their tireless energy, dedication to our school, and vision have led us to this exciting evening of stewardship and community building. I am grateful for the support of our parents, our teachers, our S.M.A.R.T. committee, our PTSA room reps, and all of our donors. Please join me in warmly thanking them for their service to the school. I am also appreciative of Fr. Jim's wise counsel and spiritual leadership in support of the auction. Lastly, please join me in thanking all of our school and parish families. The success of our S.M.A.R.T. auction only happens through our combined efforts as one parish family. Thank you for supporting us in our mission!

Blessings,

## *A Message From Our Gala Chairs and Tonight's Fund a Need*

Good evening! We hope that tonight is full of fun, laughter, and joy as we not only come together as a family of families to raise money for our school and endowment fund, but also to celebrate another amazing year of education for our children. Through the months we have been working as chairs for this year's gala, we have been humbled by the spirit of stewardship we have seen in all the volunteers. Every one of them has a deep and genuine interest in making this a wonderful night for you and a successful one for the school.

A "Thank You" to them is nowhere near enough to convey just how much we have appreciated all their hard work. We are truly grateful for the opportunity to serve St. Michael Parish School as chairs and in planning these last few months. We have seen what a true gift it is to be a part of this event.

Thank you for the opportunity!

God Bless,  
Greg and Vicky Byrd

## *Fund A Need: Flexible Seating Solutions for Students*

Imagine a classroom where students can have choice, where they are comfortable, collaboration is happening, the students feel a sense of community, their physical health is being prioritized, but most of all the kids are engaged and having fun! With flexible seating all of these things can be accomplished.

### **CHOICE**

Students feel empowered by having some degree of choice and control over their environment. Flexible seating allows students to choose where they work given their learning styles. It also allows them to change their location and positions as needed.

### **COMFORT**

An uncomfortable student is a distracted and unproductive student. For example, picture a student who skipped breakfast. As the countdown to lunch approaches, the sound of his or her growling stomach will make it difficult to hear the teacher's voice. An uncomfortable chair can have the same distracting effect and jeopardize a student's ability to focus.

### **COLLABORATION**

Flexible seating allows students to quickly and easily pair up, work in small groups, or collaborate as a whole class – without moving mountains of heavy desks to establish eye contact.

### **PHYSICAL HEALTH**

Children need to move. Flexible seating allows them to wobble, rock, bounce, lean or stand. This increases blood flow, oxygen flow to the brain, and core strength. It also helps keep young minds alert and focused.

### **SENSORY INPUT**

Many flexible seating options stimulate students' sense of touch. This type of stimulation can help children focus and process information. Sensory input is especially helpful for students with ADHD, ADD, and ASD.

### **FUN**

Flexible seating helps make learning fun. It allows for a more active, engaged, and enthusiastic, room of students.

The teachers have picked out different options for flexible seating that will work the best for their classrooms. It is our hope to be able to raise enough money so that all teachers can fulfill what is on their wish list to better activate the multiple learning styles in their classrooms.

# Bidding Strategies and Auction Rules

## AUCTION PREVIEW

- Before the live auction, tour the room and auction stage to get an up-close look at the excellent quality of the items displayed. Consult your auction catalog and note details such as restrictions, limitations and sizes at that time.

## LIVE AUCTION BIDDING

- To bid, raise your bid card high, number facing the auctioneer.
- A bid acknowledged by the auctioneer, assistant auctioneer, or volunteer bid spotter is a legal contract to purchase the item.
- The auctioneer and organization reserve the right to reject any bid which is a minimal fractional increase over the prior bid.
- "Dream Value" is the minimum we hope will be paid for the item. "Fair Market Value" is the estimated retail value (provided by the donor). Some items have a "Reserve Price" below which the item may not be sold.
- Some auction items may involve a payout to the item vendor. The School keeps any funds bid above the payout amount. Item descriptions usually note any payout amounts so you will know how much of the winning bid is retained by St. Michael School.
- Items may be added to, or withdrawn from, the auction by the auctioneer or organization without prior notice.

## COMBINED (GROUP) BIDS

Two or more people may make a group bid under these conditions:

IRS regulations stipulate that auction items be awarded to one purchaser only. Should two or more people wish to split the cost of an auction item, one bidder from the group must be designated as "purchaser" of the item.

The group "purchaser" must pay for the item in a single payment. The Bank cannot accept partial payments from group members. The group "purchaser" can collect partial payment from others in the group and pay for the item in full at the Bank; OR pay for the item in full, then collect (partial) reimbursement from each member of the group. The group purchaser then gives each bidder a copy of the receipt.

## SILENT AUCTION BIDDING

- Bid forms are displayed near each silent auction item. The form is a legal contract for the highest bidder to purchase the item.
- To bid on an item, write your bid number on the form opposite the amount you want to bid. Press hard (you are making 2 copies!)
- You may skip bid increments to a higher amount. The next bidder must bid at least one increment higher than yours to successfully outbid you.
- To ensure a win, write your bid number beside the "Guaranteed Purchase" price. Bidding on the item ends and you are the winning bid.
- The Silent Auction is divided into sections – each with its own closing time that will be posted and/or announced. You may bid on items until their section closes. Event staff will bring winning bidders a copy of their auction item's bid sheet during the live auction.

- Auction purchases are final. No refunds/exchanges unless noted.
- Payment is due, in full, at the close of the auction.
- The Bank opens midway through the auction to accept payment from winning bidders. Multiple items may be purchased in a single transaction.
- Payment may be made by cash, check (payable to St. Michael Parish School) or credit using your Visa, MasterCard or American Express.
- Bidders registered for ExpressPay™ do not need to pay for items at the Bank. Paid receipts (and any accompanying gift certificates) will be delivered to you during the course of the auction.

## CLAIMING YOUR AUCTION ITEMS

- Winning bidders are responsible for locating/removing their purchases from the premises. Claim any gift certificates at the Bank that are not displayed.
- Items left at the auction will be moved to the St. Michael Parish School office and may be picked up on Monday of next week.

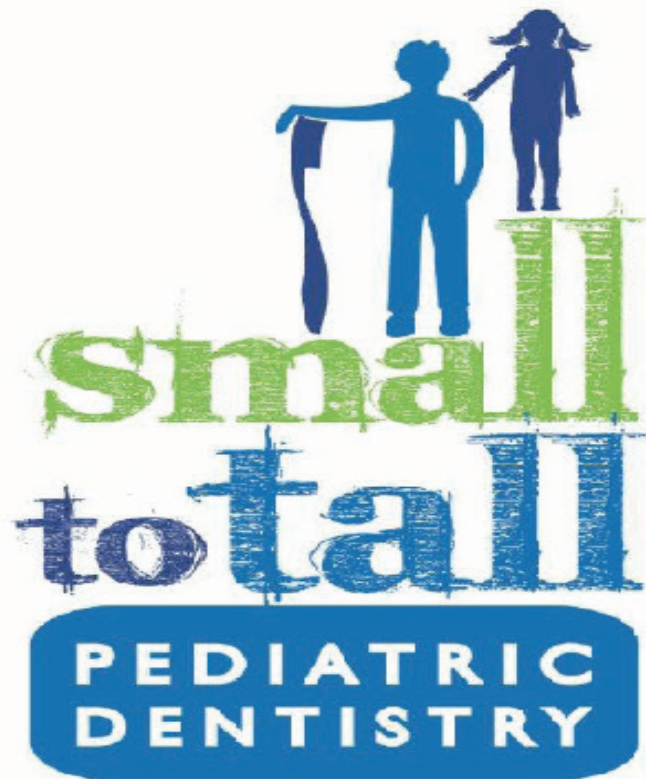

## REDEEMING GIFT CERTIFICATES

- Goods and services must be claimed and all certificates redeemed within one year of the auction date unless otherwise noted.
- Reservations for travel packages and vacation accommodations must be mutually arranged with the donor unless otherwise noted.
- Travel tickets are for coach class unless otherwise noted.
- No refunds on cancelled reservations for travel or accommodations.
- Travel pricing is subject to change, so donors agree to provide travel, as described, regardless of price increase/decrease. No refunds will be made for changes in value.

**DISCLAIMER:** St. Michael Parish School makes efforts to describe and catalog each auction item correctly. St. Michael Parish School neither warrants nor represents, and in no event shall be responsible for the correctness of descriptions, genuineness, authorship, provenance or condition of the items. All items are offered "as is" (in current condition and in current location). No statement in this catalog, or made orally during the auction or elsewhere shall be deemed such a warranty for tax purposes or fair market value. Items have not been appraised unless otherwise noted. Each person issued a bid number assumes all risks and hazards related to the auction and items obtained at the auction. Each bidder agrees to hold harmless from any liability arising there: St. Michael Parish School, its elected and appointed officials, members and employees; the auctioneer(s); the auction company and its agents and employees; and the event organizers, sponsors, and/or volunteers connected with the auction.

St. Michael Parish School is a 501(c) 3 charitable organization. Your charitable contribution (generally the amount paid above the item's fair market value) is tax deductible to the extent provided by law. Consult a tax professional to discuss your situation.
