"Scrip is soooooo easy. While on Spring Break, Foster and I had a day out and about. While he was getting his hair cut, I used Fred Meyer Scrip to buy Easter supplies. We then used Cinemark Scrip to see a movie, followed by a burger using Red Robin Scrip. After our stomachs were full, we used Scrip to buy groceries at Safeway. Last but not least, we then used Scrip to buy gas at Chevron on the way home!

I keep my Scrip cards in alphabetical order in my glove box so I can simply grab them and go. It's that easy!!!"

~Cathy Johnson (A Scrip mom testimonial)

Dear St. Michael School Families:

Someone composed a "Short Course in Public Relations."
It reads:

**The six most important words:
I admit that I was wrong.**

**The five most important words:
You did a great job!**

**The four most important words:
What do you think?**

**The three most important words:
Could you please . . . ?**

**The two most important words:
Thank you!**

The least important word: I

So much of our conversation revolves around "I". Jesus gave so much for you; how much do you give for him? His concern was not ever what was best/easiest/most comfortable for him, but what was best for you!

How will the coming weeks be a gift from you to him?

**God bless you and your family!
Jack Nelson**

It's Group Picture Time!

Wednesday, the 18th.

Please find your money envelope enclosed in today's packet. In order for your child(ren) to receive their picture, please turn in your money envelope before or on picture day.

**Please turn in to your child(ren)'s
homeroom teacher.**

You will need to do a separate envelope for each child. There will be no sports pictures. You may pick up extra envelopes in the office hallway.

Destiny Account Info

During conferences, every student should have received a letter with instructions to set up their own Destiny account to access our school library computer catalog including current check out records. With this account you will also be able to renew and request holds on library books. This can be very handy for finding overdue books as usually there is even a picture of the book cover.

If you have any questions, please contact Mrs. Evans in the library or at cevans@stmikesolympia.org.

LEARNING TO PROTECT OUR CHILDREN

Parents and Families:

You are invited to a special program developed to teach parents how to prevent child sexual abuse.

Called to Protect for Parents & Families teaches how to begin communicating with your children about their bodies and how to keep them safe. It also prepares parents to recognize the signs of abuse and how to respond to suspected abuse. The 1.5 hour workshop is a professionally produced education program led by a trained facilitator.

Called to Protect for Parents & Families

**Thursday, April 29, 6:30PM – 8:00PM,
Sacred Heart Parish Catholic Church
812 Bowker St SE, Lacey**
